Comical Garfield, exhilarating video games, portable Walkman, colorful bumper stickers, and vivacious Rock-a-billy were just a few of the crazy, zany and outrageous fads found on Kennedy's campus.

Cars were not immune to JFK's trend setting style. KLOS rainbow stickers featuring a favorite rock group seemed to appear throughout the Irish parking lot. As we listened to our radio, the station KROQ could be heard blasting out the Stray Cats. Everyone scrambled to the exit, careful to obey the 5 mph speed limit. Carloads of students cruised to their homes and popular hangouts.

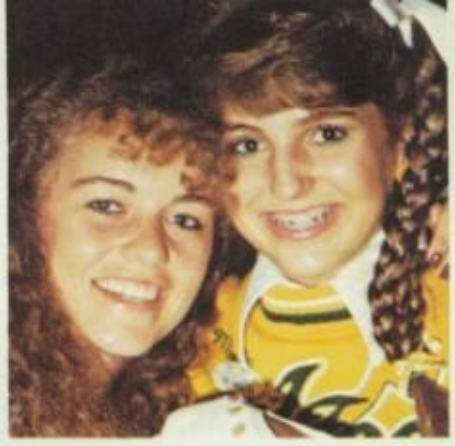
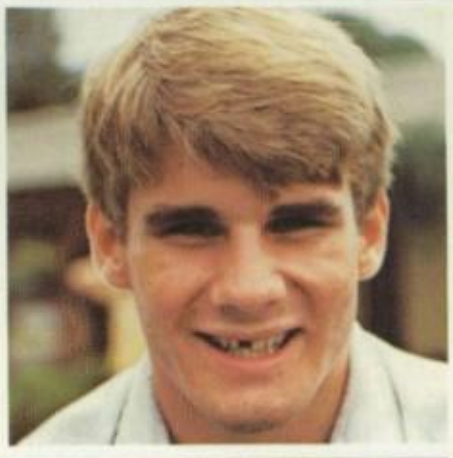
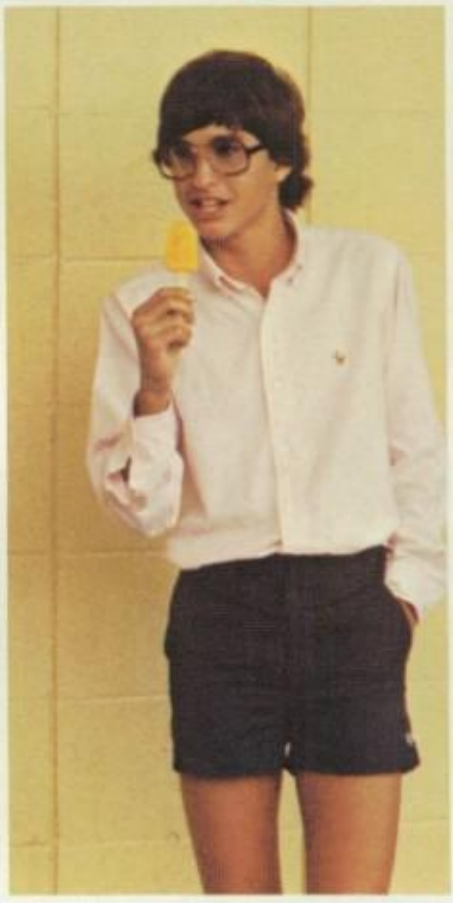
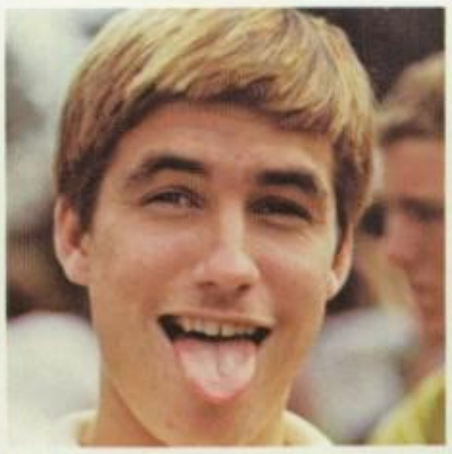
Guys & Dolls

Cute, tall, petite, intriguing, attractive, winning, charming, fetching, engaging, marvelous, amazing, extraordinary, vivacious, animated, dashing, dynamic. These are some of the thousands of adjectives describing the individuals on the Kennedy campus. Each one of these people, from the spritely underclassmen to the classy seniors, contributed their share, creating a distinct personality to JFK and the Fighting Irish.



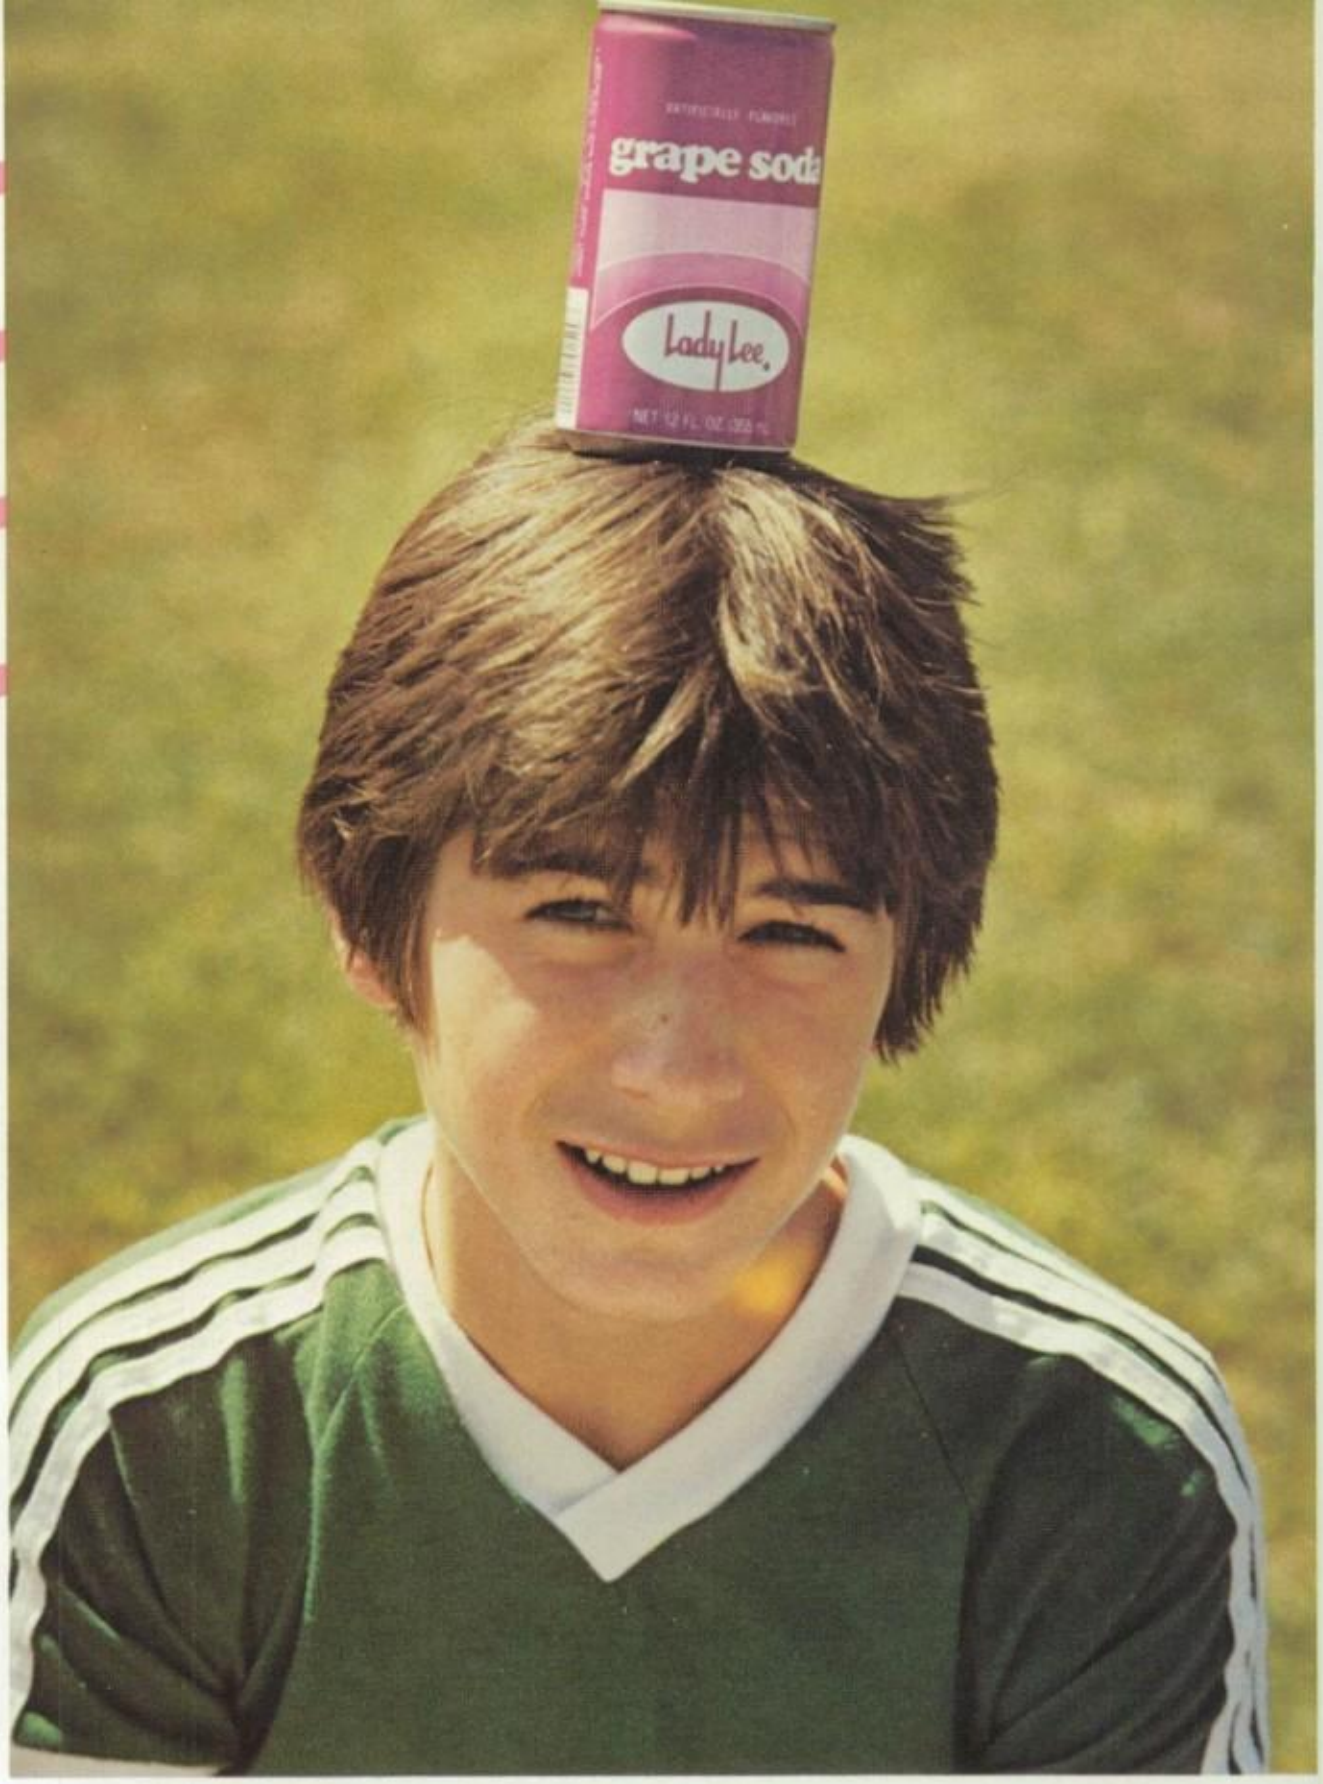


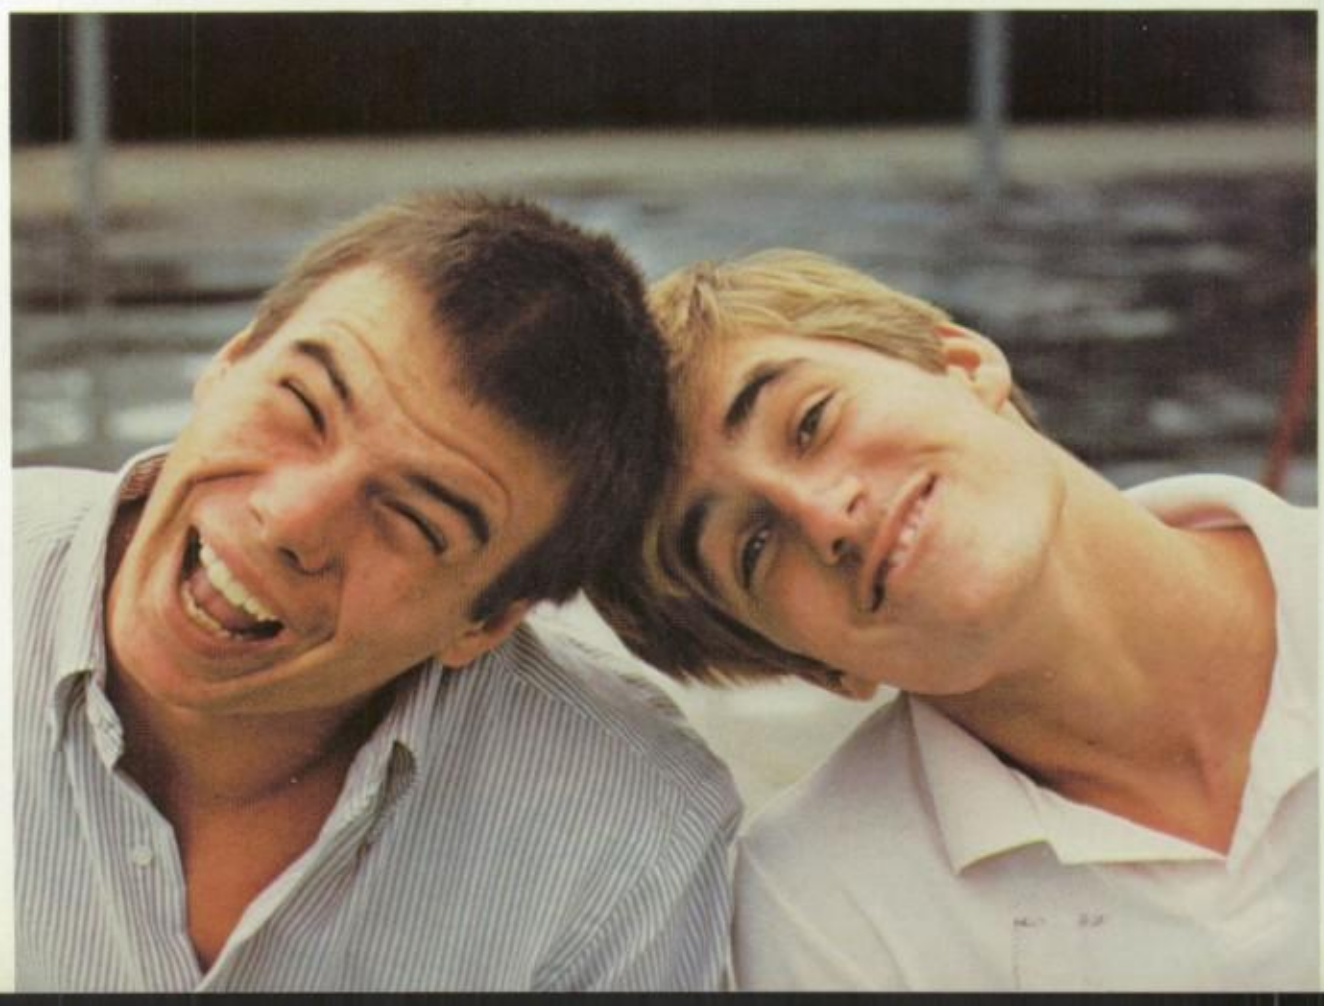


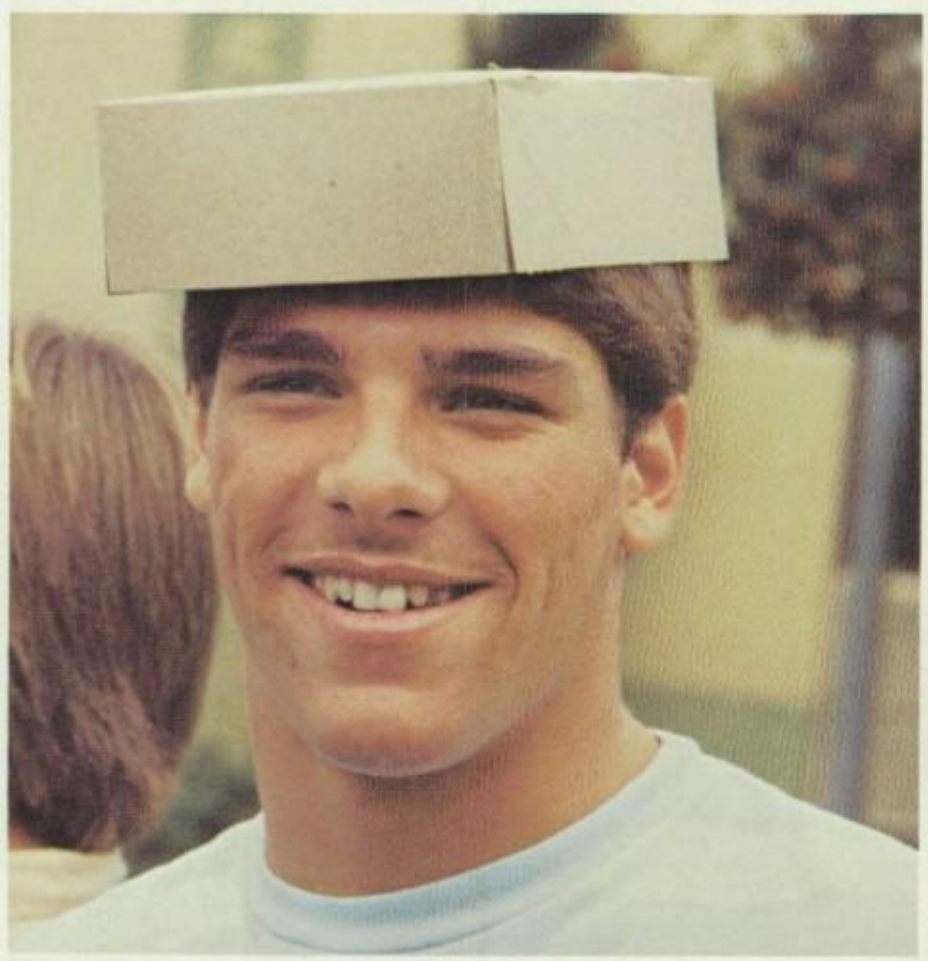


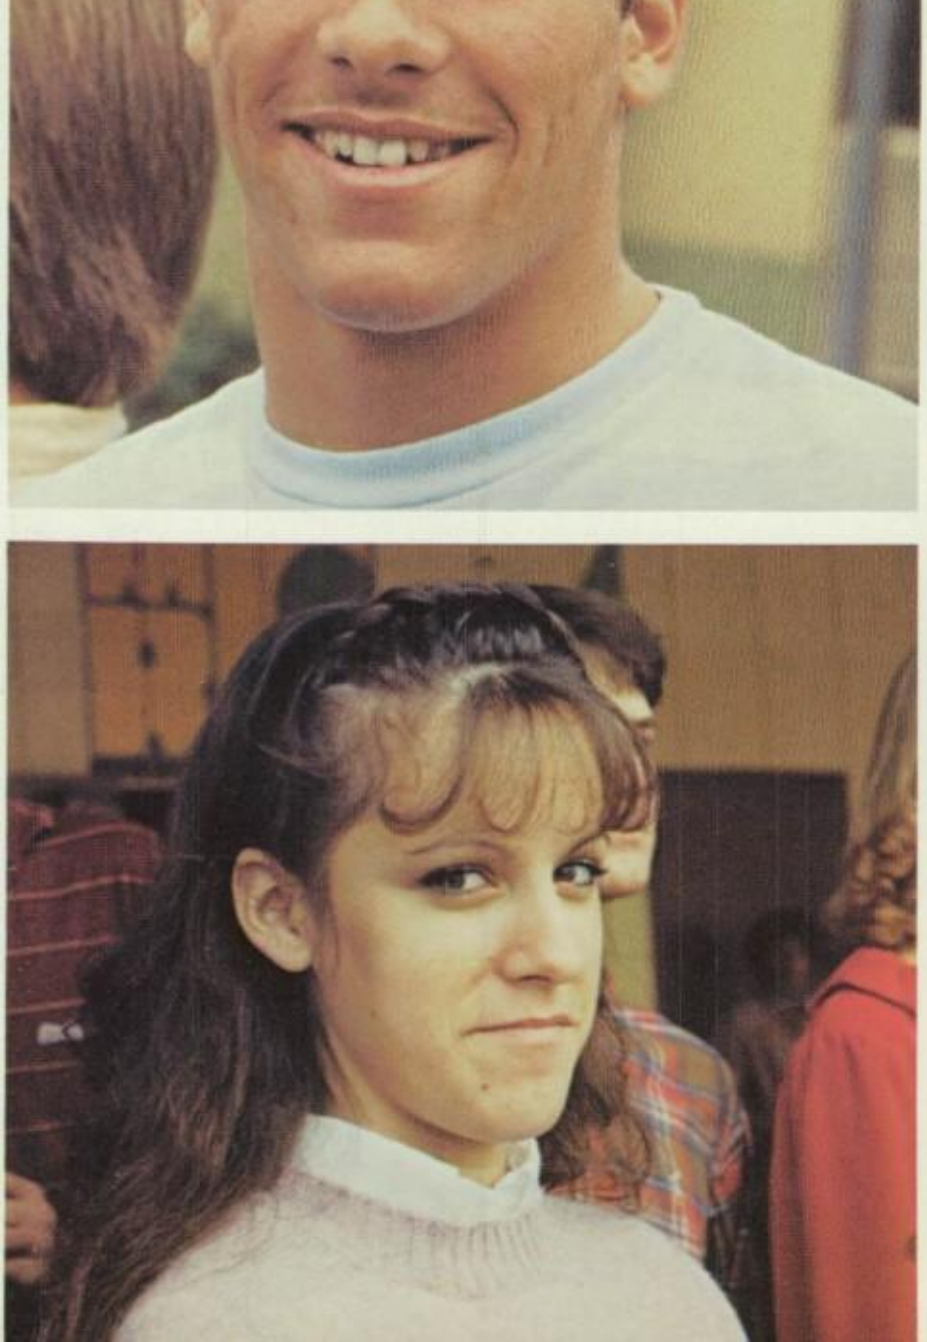
THE LIGHTS ARE ON BUT NOBODY'S HOME

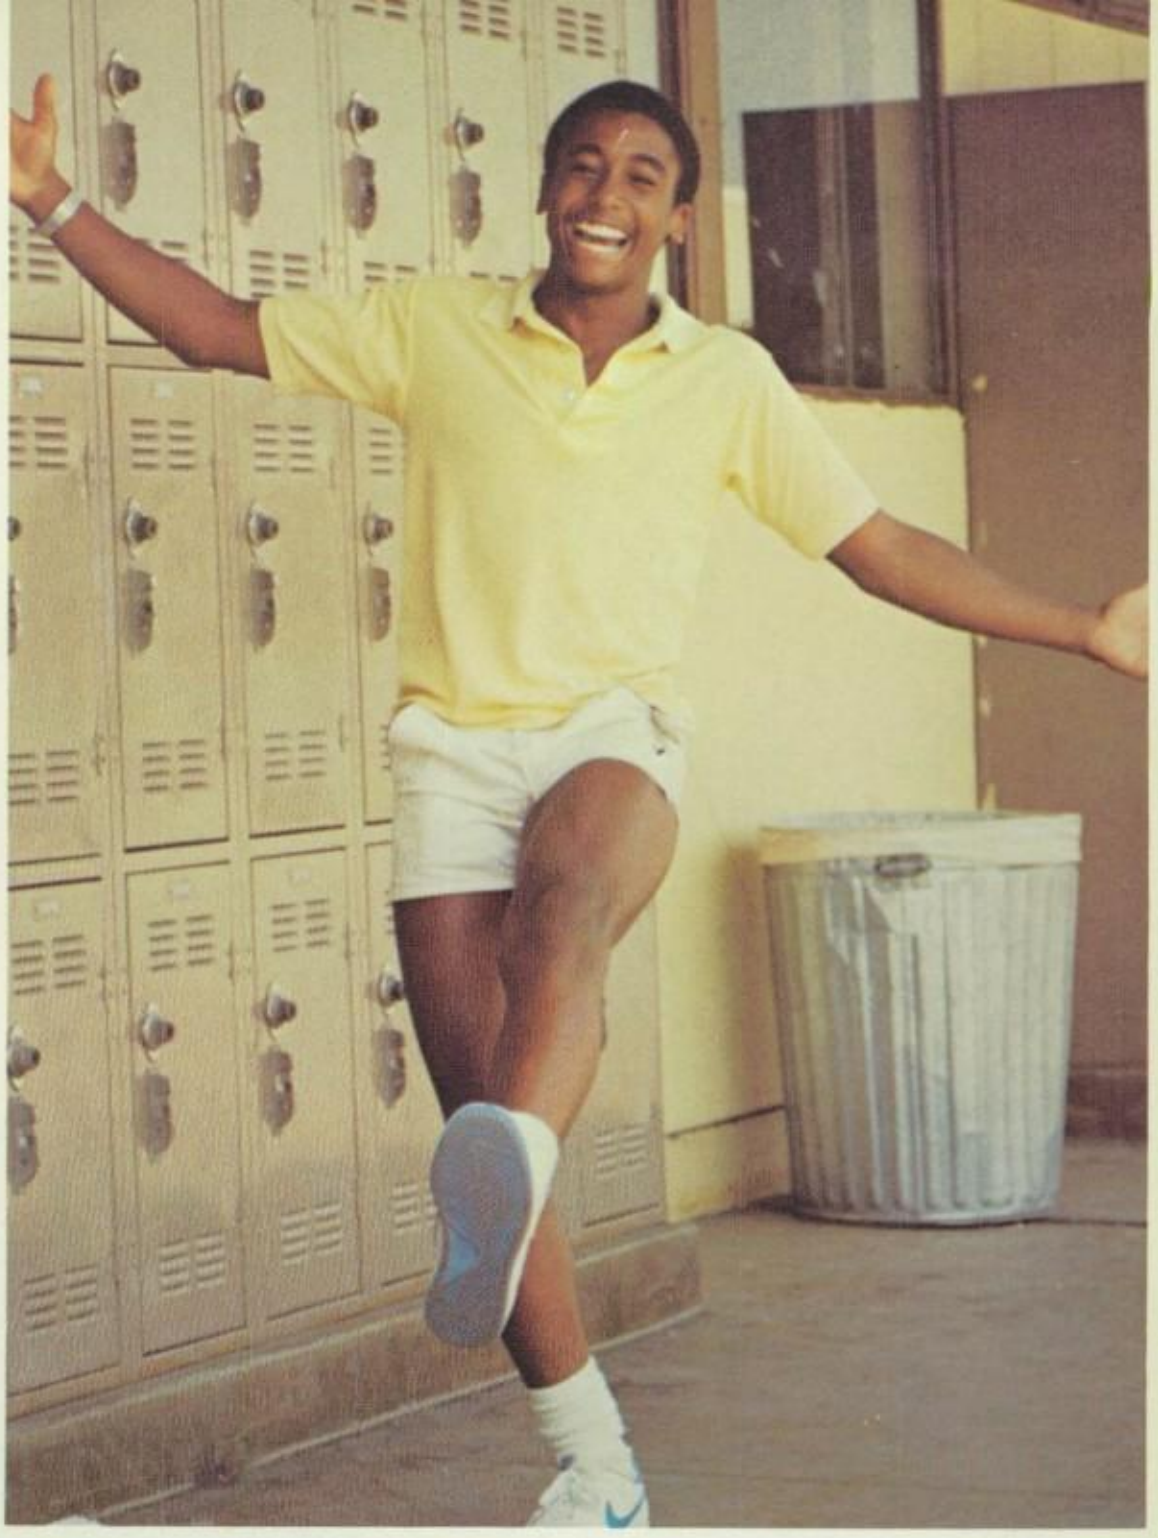
Peculiar antics abounded on the stroke of twelve. Kennedy's rambunctious cliques set seriousness aside, if only for awhile. Without the aid of special effects, supermen flew past towering lockers and onward to class. Grapes and cans bounced out of lunch bags and into action as imaginations exploded. No matter what the situation leave it to the Fighting Irish to make the most sane moment into the craziest.

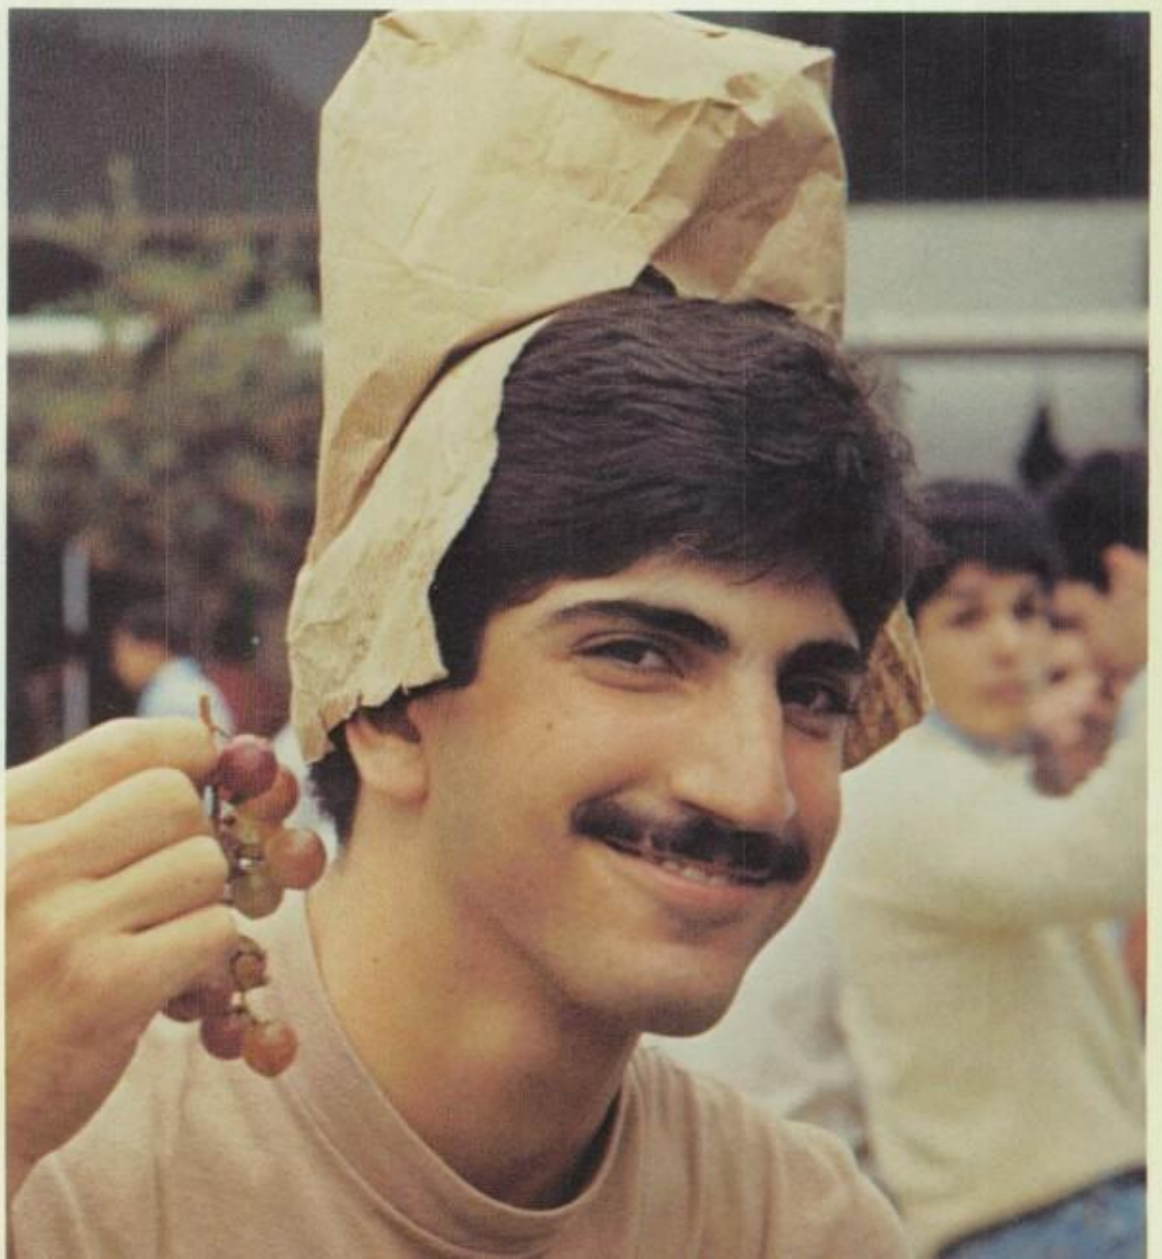












built for speed

Whether it was the way to school, home, football games, or other social events, people on the Kennedy campus were constantly trying to find the fastest route. With ease and rapidity, the industrious Irish calculated the quickest and the shortest distance between two points. Almost every student discovered that the most practical way was walking otherwise known as the agony of de-feet. Others possessed more exhilarating means. An endless array of bikes, mopeds, motorcycles, and scooters filled the campus. Many students realized the best type of transportation was driving. Fixed up cars and souped up VW's displayed the talent of the proud owner. Whether by pedal power, people power, or horsepower, Kennedy was definitely built for speed.

candid campus

Ah, yes — campus life — not those misty water-colored memories that Barbara Streisand sang about — but fast times at Kennedy High. Remember rushing to the Media Center hoping to cram for a physics test — only to find Mr. Schreur by his "Sorry filled up sign." Of course, how could the fun and recreation of P.E. be forgotten? At times, opening the infamous street locker turned out to be a job for two — each trying their best to recall the elusive combination. "The Garden" this phrase struck terror in the hearts and put soil on the hands of so many biology students. How could we ever give up these humorous yet wonderful high school memories?

GET UP & GO

Seniors. There is nothing like knowing that only one year, a mere two semesters or four quarters, remains. To the class of 1983, the final year beckoned great feelings of expectancy, excitement, and even a mixture of regret. The senior year was a time to appreciate the moments of relaxing and socializing with buddies in the Senior Circle, and cheering and chanting, hooting and hollering at the assemblies. The pressures of graduation included applying to colleges, taking requirement tests, and maintaining that G.P.A. While the seniors wished the good times, the dances, the football games, and the assemblies, would go on and on, they anticipated the challenges of life after graduation.

With only a thimbleful of rambunctious staff members, the Eternal Flame diligently toiled on creating a traditional, yet original annual. With the help and the use of so-called imaginations, vivacious Elliot Schnek, and serious editor June Oyama, the staff succeeded in completing all the hectic deadlines. Despite the overwhelming and endless strives and struggles for uniqueness, the Eternal Flame kept their sanities. With high spirits and hard work. A memorable book was produced for the entire student body.

Dare to be different

The Irish campus went through some terrific changes this year. With student council's motto, "Dare to Be Different" they did just that! Their main concern was upgrading activities for everyone at Kennedy. While keeping up the traditional Spirit and Irish Weeks, class competitions, and peppy assemblies, council improved the noon time activities and made the school dances even more exciting by obtaining disc jockeys who appeal to the majority of the student body. All of this was planned in a valiant effort to uphold the traditional Fighting Irish spirit.

Bringing the news and much more

Led by Lori Hill, editor in chief, and Mr. C., the advisor, the Shamrock staff succeeded in keeping the student body informed. They put together a monthly paper with feature articles, editorials and photos. The Shamrock highlighted the morning announcements with appeals for letter to the editor. These requests served two purposes; securing letters and tripping the speaker with tongue twisters. The Shamrock exposed readers to a world of knowledge and prepared the audience for the world to be entered after high school.

Band on the run . . . welcome the Shamrock Regiment

taking on not only a captivating new name but also a triumphant new style, the John F. Kennedy Shamrock Regiment burst forth on the winning scene. Their performances fascinated audiences everywhere, from our local halftime shows to the international Limerick parade in Ireland. Leading the band to its many victories were parade drum major Steve Dekany and field drum major Mark Lush. The many victories included the Artesia parade where the regiment won 1st place, the Western, the Westminister and the Mount Carmel Tournaments in which 2nd places were earned, the Los Altos competition where the superior Overall effects award was won and to climax the season, the Silverado parade where the two most illiustrious awards, Sweepstakes and Spirit, were captured. Of course all of this could not have been accomplished without the guidance of band director Doug Hargis.

Practice! Smile! Awards! Style! Fieldshows! Salutes! Parades! Boots! Best friends! Splits! Jumps! Kicks! Routines! Crazy! Colleens! Words like these bring back special memories to 26 talented girls. Under the direction of advisor Cam Peterson, head leader Sue Brownell, and assistants Rosella Reyes and Tracy Ehlers, the Colleens performed in perfection throughout the year. With sharp and precise moves, these girls kicked, marched, and danced their way to top awards. These honors included 1st placings, 2nd placings, and Specialty and Sweepstakes awards. As well as performing in an array of parades, assemblies and field shows, the drill team also presented various routines in the Miss Drill Team USA the annual Spring Show and the traditional trip to Ireland. In addition to learning the multitude of routines, the girls learned the true meaning of dedication, pride and friendship.

A PRECIOUS TIME

Happiness was only a moment away . . . and tension had mounted as the announcement for the Homecoming Queen was about to be made. On October 22, a Friday evening with the Kennedy Fighting Irish playing host to the Pacifica Mariners, the stage was set for a memorable night for Homecoming. Tears and cheers engulfed Handel Stadium as Mari Chekel was named Homecoming Queen. The returning Queen Kim R. Brown exchanged her dozen roses for the half dozen Mari was carrying. The sound of the band playing, "Can't Help Falling in Love with You," could be heard as the traditional crown and cape were bestowed upon Mari. These were hers to cherish for this precious moment.

During the preceding week, an extensive election process was held in which the Fighting Irish chose the Queen and her court. Escorted by their fathers, the Homecoming Court was composed of Queen Mari Chekel, Senior Princesses Debbie Astle and Jennifer Crawford, Junior Princess Darla Hostetter, Sophomore Princess Sharon Atherton, and Freshmen Princess Kelly Walsh.

Yesterday is already a dream. Tomorrow is only a vision. A dream of happiness with every tomorrow . . . a vision of hope . . . precious days . . . precious years . . . in a precious time.

Set for action

With the sound of a whistle and the onset of the music, the colorguard was off to an award-winning year. Colorful flags blurred as they were twirled and breaths were held as the rifles were thrown high into the air. These poetic elements captivated audiences and judges. The colorguard won numerous awards at such prestigious competitions as Artesia, Silverado, and Chino parades and field competitions. The outstanding group was lead by Peggy Milwilki (advisor), Chris Ebell (flag leader), Sandy Lyons (colorguard leader), and Jackie Perryman (rifle leader). These individuals protected their unique moves and military sharpness until perfection was attained.

Free spirits

Event after event the J.V. cheerleaders and the mascots were filled with the inspiration of being free spirits of imagination and energy. At every game a living sense of enthusiasm prevailed. Crowds cheered as the mascots, Ed Atala and Stephanie Smith, did their traditional, crazy dance routines. The J.V. cheerleaders led the swarm of juniors in the cheers throughout the sensational year.

These peppy gals cheered and performed for the crowd at all the games and showed that they had pride in their school. Wearing Green & Gold, they helped to boost the Irish to victory.

Freshmen cheerleaders came running, jumping and cheering as they joined JFK's campus. These girls performed at assemblies and represented the whole freshmen class at all sorts of school activities and stuff.

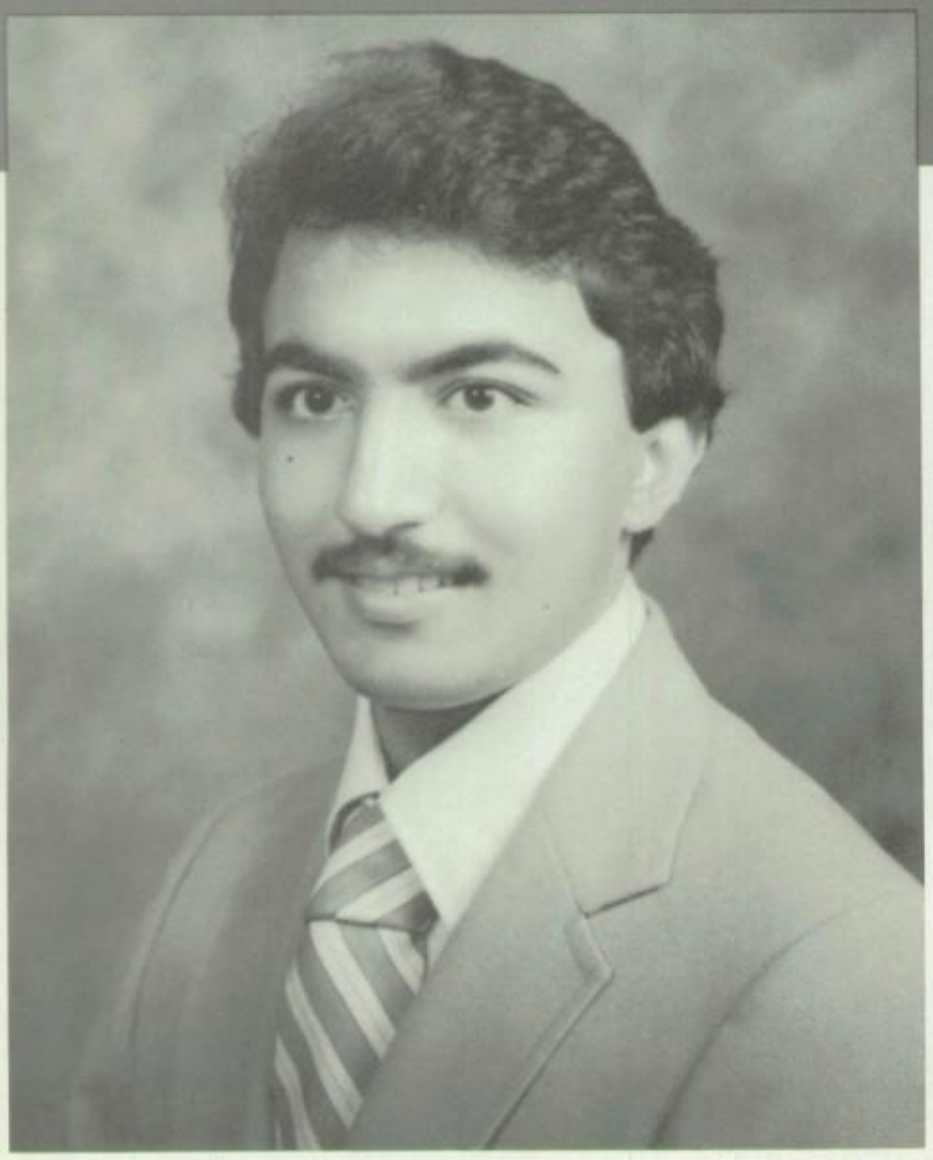
Seniors

Mr & Miss Irish



Ami Bera

Kennedy High School. I can still remember the times when we couldn't wait until we graduated and could leave school. This graduation business sure sneaks up on you. Every year I get my yearbook back, and it's filled with, "have a nice summer." Now it's, "have a nice life." I wonder if I'm really ready to go out and face the insanity of being an adult. Either way, I know the experiences I have learned at Kennedy will stay with me the rest of my life.

During my sophomore year, I was very active as Sophomore Treasurer and also as a member of the Sophomore Basketball Team. In my junior year I played J.V. Basketball and I had the honor of being selected as a member of the Emerald Chain.

As a senior, I have been elected to the positions of I.O.C. President and of C.S.F. Vice-President. I was also honored as being selected as Kennedy's representative for the Gemco Economic Scholarship.

Aside from these activities, I have not forgotten about the books. Throughout high school, I have maintained a 3.89 G.P.A.

I would like to thank the faculty and my family for all their help and support throughout high school. Most of all, I would like to thank all of my friends for all the great times we've had. You have all made these three years the best of my life.

Mari Chekel

Getting involved was a decision I made in order to grow as a person, through the experiences and responsibilities of High School activities. As a senior I have realized that school involvement has been one of my smartest decisions.

Kidnapped for being selected a member of the sophomore cheer squad, was the first unforgetable memory I have from Kennedy. Also, as a sophomore, I was an active member in the Sophomore House of Representatives.

A highlight in my junior year was making the Varsity Songleading Squad. I love to dance, so of course, being a member of the Performing Dance was very enjoyable. Student Leadership also became a big part of my junior year. I was elected Junior Class Secretary and was a part of the Junior House of Representatives.

In my final, and best year at Kennedy, I was selected as head songleader, performing dance leader, and was a member of Student Council. With effort and guidance I have maintained a 3.2 G.P.A. A very special memory of my senior year was representing my school as Homecoming Queen. It's an honor that I will never forget.

Through all the time and effort I have given to Kennedy, I have received special friends and memories in return. Thank you Mom and Dad for your love and understanding throughout my life and especially my high school years.

Bryan Garrity

Here at Kennedy I have made many lasting friendships. I was fortunate enough to be chosen to serve on the student council as the sophomore class representative. The highpoint of my sophomore year came when I had the honor of representing Kennedy at the Hugh O'Brian Youth Leadership Foundation for sophomores. In my junior year I was elected I.O.C. President and along with my I.O.C. Cabinet we worked together. As a senior, I was fortunate enough to be elected A.S.B. President. I managed to maintain a 3.2 G.P.A.

All in all my high school years can be summed up as special. Special because I have two wonderful parents whom I love dearly. Two unique people that have given me every ounce of love, guidance, and encouragement that any two human beings could be possible of giving. Special because for it was here at Kennedy High School that I gained the most valuable gift that I could possibly ever gain and that is the gift of giving. To those of you who have touched my life in the past three brief years, I thank you all and will never forget any of you!

Marcelo E. Mendoza

During my three years at Kennedy High School, I have enjoyed the opportunity to participate in the school's honors curriculum and student activities. I maintained a 3.85 GPA and was among the selected few at Kennedy to be a member of both *Who's Who Among American High School Students* and *The Society of Distinguished American High School Students*.

Aside from my studies, I also became involved in Student Leadership. During my Junior year, I served as the Junior Class Representative and Kennedy's CASC Representative. In my senior year, I was elected the position of ASB Treasurer.

My years at Kennedy have given me insights into myself and confidence in my ability to succeed. I would like to thank my family, friends, and teachers for all their understanding and help, because without them, I could not have matured into the person I wanted to become. More importantly I would like to thank the Lord, for he made "me bold with strength in my soul." (PSALMS 138:3)

Darrell Kidwell

My stay at John F. Kennedy has been full of many experiences. These experiences, full of variety, exemplify one of the most memorable times of my life.

Some of my more typical experiences have been in the academic realm. I have always considered it important to have classes that offer me a challenge. Through the years I have accumulated certain honors such as being a part of the Emerald Chain and from organizations such as National Merit and the American Chemical Society.

Participation in School activities has been vastly important to me. My interest in this lied mainly in Student Council. I held the positions of Junior Treasurer, Social Commissioner, and A.S.B. Vice-President.

By far the most meaningful experiences for me have been with all of the great students of Kennedy. The students are what make the school. I've loved all of the experiences I've had with the people of Kennedy, and I will be very sad to leave the school. Fortunately, I can keep all of my experiences with me and cherish them dearly.

Charles R. Ashley Jr.

Looking back on my years at John F. Kennedy High School, I remember them as three memory filled years. The most memorable moments of all my days spent here at Kennedy, were meeting new friends and being reacquainted with old ones.

My first wear at Kennedy, I ran Sophomore track. In my junior year I ran Varsity Cross-Country and Varsity Track. I also served on the school newspaper as a photographer.

Going into my senior year, I challenged myself to make it the best year possible. I was elected Senior Class Representative, which gave me the chance to be a member of the Student Council. It also allowed me to help plan and to be involved in student activities. I ran Varsity Cross-Country, Varsity Track and I was elected Co-Captain of the Cross-Country Team. I also served on the newspaper staff as photographer and page editor.

I would like to thank my family, friends, teachers, and most of all, Jesus Christ for helping me accomplish my goals.

Audrey Baier

Reflecting on my past three years at Kennedy, I remember many wonderful memories.

As a Sophomore, I was chosen to participate as a member on the ring committee. I also supported many school activities. As a Junior, I also participated in school activities, but school work and grades were my main priority. Then as a Senior, I was lucky enough to be appointed ASB Secretary. This enabled me to participate in many school activities and also support my school a great deal more than I had in the past. Yet with all this, I was still able to maintain a 3.2 GPA.

Through all this, the friendships I made during these past three years will be the best things I remember. To all of them, I would like to say "thanks" for making these past years fun. To my parents, I give them all this to remember.

Janie Frigge

They say your high school years are the best years of your life. My past three years at Kennedy have been full of friendships and experiences that have helped me to grow a great deal inside, and really get to know myself.

In my sophomore year I was a sophomore cheerleader, a member of the house and of CSF. As a junior, I was selected to the Varsity Cheer Squad and was a member of Performing Dance. In my senior year I was selected as the Head Varsity Cheerleader and became active in Student Council by being elected as Senior Class Treasurer and being a member of I.O.C. I've maintained a 3.38 grade point average while taking college preparation courses.

I want to thank my family, teachers and friends for all the help and support they have given me. Of all the memories I will have of Kennedy High School after I graduate, the friends I've met here will stand out the most. I've met so many unique people and made so many special friends that I know the memories of my years at John F. Kennedy will never fade away.

Jacqui Woods

The time I've had at Kennedy has been very exciting. As a sophomore I was a matt maid for wrestling and this was just an opener to my following years.

In my junior year I was selected as a Varsity Songleader which kept all of us very busy and yet we had the greatest time! (Hi Mari) Also, as a junior I was in Performing Dance and was selected as dance president for my senior year.

I'm especially grateful to all my teachers who have helped me to maintain a 3.09 G.P.A.

I have learned alot about people from attending Kennedy, especially how to love them for who they are, this in turn was also a stepping-stone in growing for me.

I couldn't have made it without the love and care of my parents, or without the guidance of our Lord Jesus Christ who has helped me all of the way. He has shown me to leave everything in His hands because he said, "For I know the plans I have for you, plans to prosper you, plans to give you a hope and a future," (Jeremiah 29:11) God Bless you all.

Debbie Gast

Reminiscing my past three years at Kennedy High School, I've understood that these are the vital beginnings in our lives. I've gotten to know friends, which I will always remember, and I have watched myself and others grow-up into people that we've always wanted to be.

As a Sophomore, I was on the Fighting Irish Swim Team, I also was proud to be the Sophomore Class Vice-President, paticipating in many class activities, such as on the class ring committee and many more.

As a Junior, I was elected as Junior Class President. Holding this office allowed me to participate in our Student Council. I also had the honor of being a finalist to the American Legion as Kennedy's Representative to California Girls State. In addition to these activities I was a member of the IOC.

Presently, I hold the exciting and rewarding office of Senior Class President. With this office I continued to contribute in Student Council and be an active member of the IOC.

As my years here at Kennedy come to a close, friends, happy and sad times, and nevertheless growing-up, the memories will always be with me. Thank you Mom and everyone that made my stay at Kennedy the best.

evoting oodles of time, the talented Senior officers made it a very special fun-filled year. Many get togethers were organized. The activities included Senior Skate Nights, the Senior picnic, the teeter-totter-a-thon, and the Senior Assembly. The people who gave all their support to all these projects were the following: Debbie Gast, president, Gina Kobb, v.p., Janice Frigge, treasurer, and Esther Amador, secretary. From plenty of hard work and dedication, a truly successful and stylish year surfaced.

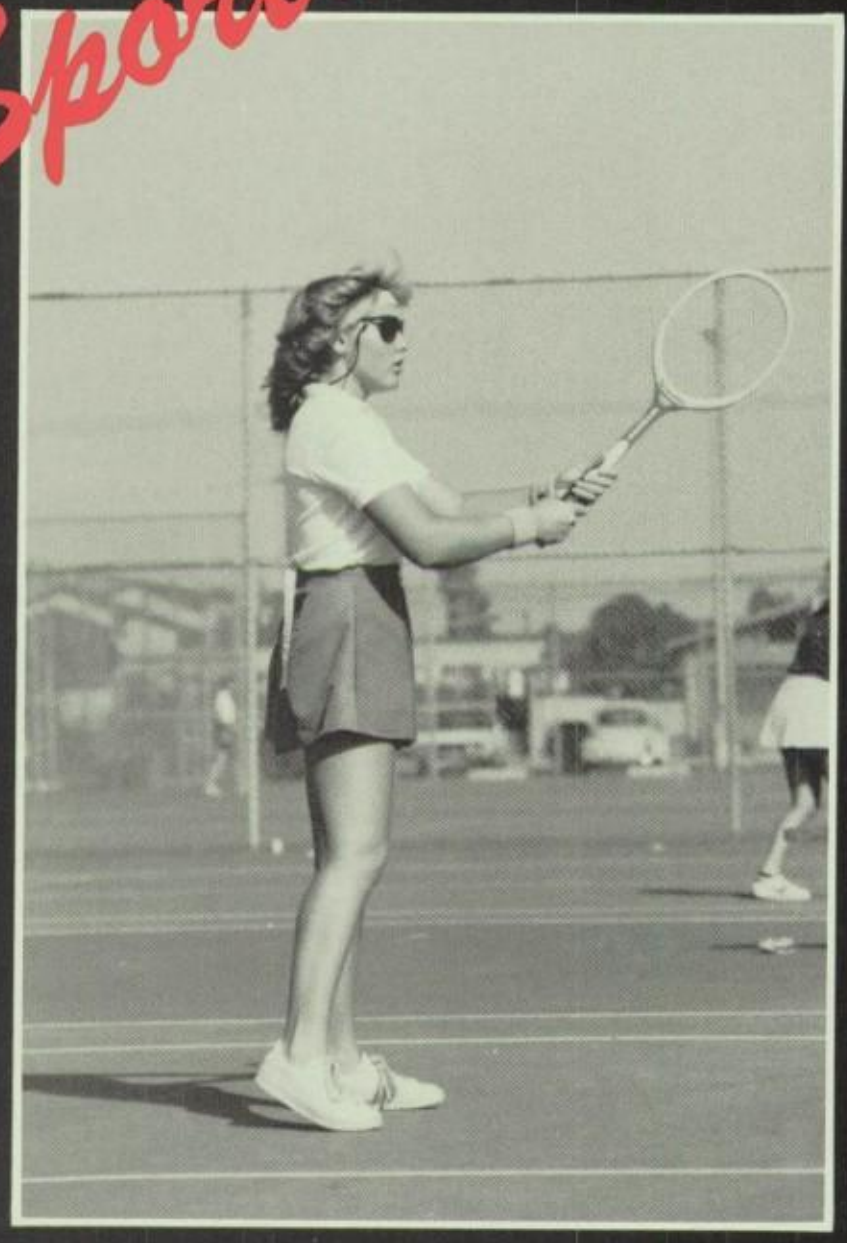
Sports



V. Football

Although we started the season with 23 returning lettermen, we had very few experienced players. In the pre-season polls, this team was picked to finish in the lower division of the Empire League.

Through determination and dedication these thirty-eight players provided our fans with one of the most exciting seasons in many a year. Their second place finish in the Empire League and entrance into the C.I.F. play-offs was a tribute to their pride and togetherness as a team.

Our first league game with Los Alamitos ended up in a disappointing tie, 21-21. The Loara Saxons played a very tough game but the Fighting Irish pulled out our first win of the season, 14-6 with a last minute drive for the winning touchdown.

We put up a good fight for the first half, but eventually the Empire League champions, Esperanza, beat us 49-18. Our homecoming game against Pacifica High School was our best game of the year. In a very exciting and explosive game, we won 42-28.

A strong defensive effort and an explosive offense provided us with our third win of the year against El Dorado 18-6. A cliff-hanger with Cypress resulted in a 14-6 win over our cross-town rival.

In our final game of the year we defeated one of the pre-season favorites to win the championship. With a final eighty-seven yard drive, we scored a 27-24 win over a very strong Katella team.

Since we finished in second place with a 4-1-1 record, we entered the C.I.F. playoffs to play the third place team from the Century League, Santa Ana. Mistakes in our kicking game and turnovers offensively resulted in a 23-13 loss to this fast team from Santa Ana.

The ability to never quit in a game was one of the fine characteristics of this team. In the majority of our games we were physically out-manned, but we had a greater fighting spirit which enabled us to have a very successful year.

My thanks to the seniors who provided the leadership to make this such an enjoyable and positive year. Best of luck in your future endeavors.

Coached by Head Coach Castles and assistant coaches Flores and Montalbano, the Irish Sophomore football team entered their season with a pre-season record of 2-0-1. As the season progressed the team was plagued by injuries. This was a major setback and as a result the over-all record was 4-4-2. The offense captain was Willie Clark, defensive captain Curran Fewkes, and the most improved player was Jeff Nowlin.

Kennedy's Freshmen football team began their season with a record of 2-1. The key players were William Brownell, Andy Johnson, Brian Nelson, Dave Wilson, Steve Kim, Danny Curry, and Andy Ujiie. The team was coached by Bob Parish who was assisted by Kenny Zuchowski and Jess Leon. According to Coach Parish his team gave 110% effort and never gave up.

V. Volleyball

The Varsity Volleyball team entered the season with high hopes of attaining a place in the CIF playoffs, and with lots of hard work and determination they reached their goal. Going in the first round, they lost a heart-breaker to the 2nd ranked CIF team, San Marino. The team was composed of four returning letterwomen as well as five seasoned players from last years championship J.V. team. Marina Van Melle was the team's most consistent player leading in several offensive categories, while Cheri Sucher was a mainstay at the net where she hammered her opposition with her hard hitting. Annette Ugliano's cannon-like serves produced a number of points and coupled with her back row playing made her an asset to the team. Through thick and thin, Coach Burns helped instill a close Waltons' type feeling within the team.

The Fighting Irish Junior Varsity Volleyball team began their season with an impressive record of 3-0. Coached by Jean Rabune, the Irish labored hard at perfecting their skills. Each of the eleven players contributed her own expertise to every game, making the season exciting and successful.

The Frosh-Soph Volleyball team kicked off their season in a new way. First year coach Randee Rabune unveiled a bunch of new techniques and abilities while adding vitality. The team's grueling work-outs and strong victories showed that Kennedy has a storehouse of uprising talent.

"Yes We Will"

V. Basketball

With its talent and determination, the Irish established itself as a CIF playoff contender in its tough and competitive Empire League. The goal was to attain that championship that had evaded the Irish. 6th year coach John Mayberry felt that 1983 was the year for that championship, as well as the second CIF playoff spot in a row.

With its much stronger defense and a fast-breaking offense, Kennedy let their opponents know "the Irish are coming." Returning lettermen and co-captains Rick Barker and Bryan Weerheim lead the Irish. Other seniors playing key parts were Curt Cardwell, Mike Nichols and Jeff Thibodeau. Balancing out the squad were 5 promising underclassmen including lettermen Ron Rabune and Walter Lauderdale. The Irish morro was "Yes, we will."

Basketball

The J.V. Basketball team set out to leave their marks on the league. The squad had an advantage over other teams since the J.V. coach was Mr. Rabune. The Junior Varsity was saturated with talented and earnest young athletes. Knowing that the prestigious Varsity letter was close in the horizon, the players found the level of play in J.V competition as training and the experience necessary to move into the big time. Along with the regular league games, the team participated in the Esperanza tourney, the Santiago tourney, the JFK tourney and a scrimmage with Magnolia.

Basketball

The enthusiasm for the game of basketball was apparent in the abundance of participants for all of the Fighting Irish teams. One of these squads was the Sophomore team. Coached and directed by Con Fromknecht, the youthfulness of the team was molded into determination to win. The Sophomore team withstood the rigorous league schedule plus a scrimmage with Magnolia, the Canyon tournament, the Sunny Hill Tourney and the Lakewood Tourney. The Sophomore team in alphabetical order: Michael Bang, Michael Barker, Brent Bissell, Kevin Brown, Charlie Burns, Chris Crockett, Derby Davidson, Anthony Hanajos, Tony Hooper, Stephen Quon, Doug Shermer, Scott Yamamoto.

Coach Duran supervised the Freshmen team. Resulting from a good season, the Fighting Irish proved to be highly competitive. Darrin Queen and Danny Curry had a good year, leading the team in rebounds and points. The Freshmen squad took part in major tournaments like Keppel, Los Alamitos, and Loara. Alphabetically the Freshmen team: Alfonso Campos, Gabriel Chairez, Danny Curry, David Esparza, William Gardner, Paul George, Andre Johnson, Steve Kim, Brian McCann, Darrin Queen, Dan Stefania, and Dean Sutherland.

Rallies to Win

V. Basketball

After winning pre-season games against Troy and Orange High Schools, Kennedy's Girls' Varsity Basketball team had high hopes for a winning season. With seven returning lettermen, Coach Jim Wing and Assistant Coach Dave Martz both felt that this might be Kennedy's year to make CIF.

A lack of height and depth on the bench hampered the girls and made the going tough in Empire League competition. The girls were disappointed by early losses in league play, but they showed their Fighting Irish spirit and rallied to win as the season progressed. Led by the scoring of captain Dawn Ethington and wing Cheri Wilson, and the hustling play of point guard Krystal Bradshaw, the Girls' Varsity squeaked by Katella and tromped on Los Alamitos.

Coach Rick Albano's hard work and encouragement paid off as his JV basketball team came through with a fine winning season. Coach Albano anticipated a good season with many players returning from last year's team. Sparked by the aggressive playing and shooting of newcomer Jawanni Cousett, the team was in contention for top positions during most of the season. Hopefully, these

The Frosh/Soph team had another outstanding season under the inspired coaching of Ken Munger. After winning the Empire league Championship last year, Coach Munger started anew this year and shaped the raw talent into title contenders. Outstanding newcomers on the team were center Regina Keavlani and guard Chavena Williams.

V. Wrestling

Kennedy had one of the best teams ever in the sport of wrestling. There were 10 returning lettermen. Team was rated 6th in Orange County. The key athletes were some C.I.F. contenders. In tourney, Brian Folsom placed 1st E. Rancho, 1st El Cajon (outstanding wrestler), 1st Laguna Hills (ow), and 1st Five Counties. As a team, they placed out of 32 teams, 7th E. Cajon, 7th Laguna Hills, and 9th Estancia. Others important to the Wrestling team are Bill Flores, 3rd in league, Chris Morales, 3rd in League and Ed Morgan, Bobby Small, Bill Weatherill, and Dave Abeling all of whom placed in major tournaments. Coached by Mr. Peterman, the Wrestlers proved to be top competition in the bid for the Empire League Championship.

Wrestling

Amid all the grunts and the groans, not to mention all the pulled muscles, Kennedy's Sophomore/Freshmen wrestlers pinned their way through another successful season. With their record of 11 and 8, as well as a first place victory in the Millikan Tournament, there was no doubt that they were tough competition. Coach Peterman called the team "a good group who worked hard and learned quickly." With dedication like this, tough competitors like our Irish wrestlers could look forward to victorious future seasons.

V. Tennis

Boys' Varsity Tennis Team entered the season with fantastic masculine display of arms and legs. Impressive straight set wins against Gahr High initiated the season and improved the athletic outlook of these manly men.

Returning lettermen Bruce Beinlich, Tan Ngo, Ben Garcia, and Mark Haugan paced the Irish team. Coach Larry Buie enthusiastically commented, "I have high hopes for Bruce and Tan to have a good year. Hopefully, we should be competitive with the rest of the league." Boys' Varsity Tennis: M. Bang, B. Beinlich, F. Garcia, J. Han, M. Haugan, B. McCann, J. McCann, T. Ngo, T. Tran, D. Wisnowski.

V. Tennis

Under new head coach Dave Magdaug, the girls' varsity tennis team started the season with high hopes. Because he was hired a few days prior to the beginning of the season, Magdaug had to hurriedly introduce the "plan" to get the girls in condition to win. In spite of Coach Magdaug's excellent instruction and great strategy, the team lost some heart-breakers to El Dorado and Pacifica. By winning against Pacifica midway into the season, the squad seemed to be on its way to improving last year's record.

Outstanding players for tennis included senior Georgina Coopey and sophomore Phung Ngo. Playing both singles and doubles, Georgina was the most versatile player on the roster. Phung is one of the up and coming members, who will be returning next year. She fought her way up the singles ladder to earn a permanent spot in varsity. Coach Magdaug spoke highly of the team. "Our girls conducted themselves in a manner exemplary of the Irish tradition. Regardless of the circumstances, the team competed with great sportsmanship and competitive spirit.

J.V. Tennis

Spirited leaders of the J.V. girls' tennis team pulled together in spring of 1982 to spearhead a drive to purchase new uniforms. Led by the enthusiasm of Diane Hatchimonji, Jamie Kuriki, and Vivian Dagan, the entire team worked together selling M & M's and raising enough money to purchase 25 new tennis outfits.

The girls faced the uncertainty of having no coach until a few days before league competition was to begin. Luckily, Coach Sharon Miller arrived on the scene. Coach Miller concentrated on helping each girl to perfect her serves, volleys and strokes. She believed that every girl on the team has the ability to be outstanding. Working to help each person, Coach Miller commented that the team had a lot of spirit and the girls pull for each other and don't get discouraged. She felt the girls did a good job on the courts and would be even better next year.

V. Water Polo

Throughout the 1982 season, Kennedy's Varsity Water Poloists grappled to stay on top. With only four returning lettermen, the team's level of experience was not enough to overcome tough competition. Nevertheless, the team remained undaunted. Hard fought losses were tempered by victories over Loara, Pacifica, and Western. Highlighting the season opening were thrilling 4th place and "Consolation Champs," finishes at the Valencia and Canyon Tourneys.

Pacing the way for the team were returning lettermen Ron Antimarino, Mike Conner, Steve Pitts, and Captain Roland Reyes. Adding dimension to the team were sophomores Eric Evans and Scott Benda. The team was coached by Mr. Zehntner and aided by assisting coach Dan DeJong.

Water Polo

Although the Freshmen Water Polo team consisted of young and untried athletes, their hard work and energetic tenacity alleviated a troubled season. Playing faster teams put our Fighting Irish at a disadvantage with only one returning letterman, Steve Ridley, and eight rookie players. However, events such as the Canyon Frosh/Soph Tournament and the regular interscholastic games, greatly aided the team in gaining better competitive background. Under the excellent coaching of Mr. Zehntner, the members learned to perfect skills. According to Coach Zehntner, Mike and Nick McMahon, Mike Erdelji, and Eric Opdahl show promise for next season.

It took true grit and dedication to step into an icy pool of water in all types of weather. Yet day after day Kennedy Boys' swim team did just that. Under the guidance of Coach Zehntner, all their hard work paid off. At each meet, Irish swimmers were seen slicing speedily through the water. Returning lettermen Ron Antimarino, Eric Evans, Scott Benda, and Steve Pitts proved key leaders. Besides league meets, the Irish also swam in tournaments such as the Los Alamitos Invitational, the Los Amigos Coed Relays, and the Los Alamitos Relays which provided excitement as well as keen competition. Each day found our Irish girls practicing hours, striving to shave seconds off their racing time. Setting the pace for the team were returning letter-women Sharlene Gee, Sherri Teramoto, Andrea Bennett, and Sheri Taylor. Coach Zehntner believed his team had the best chance of winning league championship since he had been coaching here at Kennedy. Competing in tournaments such as the Los Alamitos Invitational and the Los Alamitos Relays and the Los Amigos Coed Relays, the season promised to hold success within reach. V. Soccer

No footdragging could have been found on the Varsity Soccer squad. The players devoted endless hours of practice to perfect skills necessary to prevail in the tough league competition. Coach Steve Jaworski steered the team in challenging other for the spots for the CIF playoffs. Co-captains and returning lettermen were Jonathan Blackmore and Rusty Mohrmann. Strengthening the team were nine returning lettermen including seniors Mike Deep, Bill DeMont, Todd Pauley, and Bryan Sleight. Key players in offense were Sean Wynne and Bill DeMont. Jonathan Blackmore, Rusty Mohrmann and Todd Pauley rounded out the team as its key defense players.

The JV and Soph/Frosh teams maintained skilled, adept, and capable players. As in all sports, certain individuals displayed brilliance in their game. JV was supervised by Steve Jaworski. Co-captains Chris Quintana and Rich Spinning motivated their constituents to achieve victory. Rich Spinning and Steve Fleming were considered key factors of the JV team. Facing tough competition from Pacifica and El Dorado, the Irish looked to be in the top three.

The Frosh/Soph team found guidance in Coach Victor. His direction and suggestions paid off as the team placed first in the Huntington Beach tournament. Battling against Cypress, Kennedy prevailed 1-0 and attained the prestigious first place. Kevin Norlin on defense and Chris Blackmore for offense proved to be crucial assets.

Kennedy's Cross Country team started off on the right foot by placing in two invitational meets. Led by their captains David Ahia, Ron Ashley, and Pam Hansell, the team showed promise for a winning season. Coaches Richard Bailey and David Dahl started preparing the team early this summer with daily 10 mile workouts. The Boys' Varsity Team was rated #13 in the Orange County and the whole team took 3rd in the very tough Empire League. Eric Ree, Shelly Ahia, and James Rodriquez are three of the top runners in Orange County and Eric and James were selected to All County teams.

Track

Track season had just begun when yearbook went to press, but Coach Bailey and staff looked forward to a rewarding year. The large turnout of talented track athletes and nine returning lettermen considerably uplifted the team's performance in events. The competitive streaks of our men prevailed successfully in key events. Seniors Bill Flores, shot put and discus, Bill DeMont, hurdles, and Juniors Lyle Ota, sprints, and Eric Ree, distance, displayed their power to gain Irish wins. Coach Bailey felt that with hard work and hustle a number of Irish track athletes can qualify for CIF. Varsity Track: C. Aguinagh, D. Ahia, S. Astle, D. Broadaway, J. Carter, M. Carter, J. Conrad, B. Track

Under Coach Richard Bailey, the Girls' Track team demonstrated a keen sense of strength under competitive pressure. The team showed a great resolution to win, practicing hard even in unfavorable weather conditions. The coaching staff consisting of Mr. Coleman — shot put and discus, Jackie Johnson — sprints and relays, and Tad Dillard — pole vault, long and triple jumps, helped to sharpen the girls' abilities. Because of a large turnout this year, Coach Bailey is keeping an enthusiastic attitude about the team's overall performance. Girls' Track: J. Aragona, M. Casey, S. Celaya, C. Choe, A. Coleha, J. V. Soccer

A new varsity team emerged to represent the Fighting Irish. The format of girls' soccer as a competitive school sport was introduced. The turnout was impressive. At last these gifted individuals had their own letter earning sport. Coach Alice Lopez was hired to groom and create a winning entity. Through grueling workouts rain or shine, they practiced to perfect techniques and also to increase their stamina. Susie Brown had the distinction of being the first girls' soccer team captain. From this first year, the girls' soccer hopes to have laid out a solid foundation for future CIF title winners to build upon.

V. Baseball

Striving hard to obtain a prestigious position, the Varsity Baseball team entered their season with aspirations of a successful season. A key asset to the team was the pitching of Gary Becker, Wayne Hammond and Ed Atala. The hitting of Scott Rath, Sean Strauss, Ben Ahumada, and Jeff Mundt provided the necessary offensive power. At the time this yearbook went to press, Coach Gunn and Coach Burns had high hopes of the team's upcoming season and of entering the CIF playoffs. With dedication and hard work, the Irish will strive and gain the top. Team members: B. Ahumada, E. Atala, D. Daker, G. Becker, D. Ciesinski, M. Faddoul, M. Gyde, R. Little, M. Martinez, J. Mundt, R. A Future of Success

Baseball

Kennedy had a lot of talent in the baseball department this year. The Junior Varsity team was no exception. Coached by Bob Wahlsteen, these athletes worked hard to achieve a successful season. Coach Wahlsteen possessed a very high opinion concerning the outlook of his team's season.

The Frosh-Soph squad also had plenty of talent. Under the training of Coach Frye, the team worked very hard at perfecting their playing skills. With this type of drive and dedication, the future of baseball at Kennedy looks extremely promising.

It's a Hit!

Softball

The Varsity Softball team opened the season with high hopes, hustle and plenty of Irish spirit. Winning their first game against Los Al 2-0 the team was off to a good start. With 9 returning lettermen and 6 sophomores, the team was very young but with the skill and ability of all the players they were very competitive in the league.

Fielding another young team this year was J.V. coach Tom Farr. At the time this book went to press Coach Farr stated that his team had good talent and the key to their season would be how they improve as the season progressed. They were looking forward to a great league competition with Cypress, El Dorado, and Loara the teams to beat.

Badminton/Golf

This year was another large turnout for the Fighting Irish golf team. With the return of Lorin Augustine, Gordon Cornish, and Tom Scanlon, the team had a head start to victory. Coach Smith stated that the team was much improved over last season with Los Al, El Dorado and Esperanza being the teams to beat.

Badminton, a game of comparable skill, was one of the top rated teams in the Empire League. All the players play equally important role competing in a round robin situation in league. The outstanding players were Vennie Gangula and Dawn Ethington the number one boy and girl, and Tom Valenzuela and Francine McCormick number one mixed doubles. As the defending league champs for the past two years, they looked for another promising season.

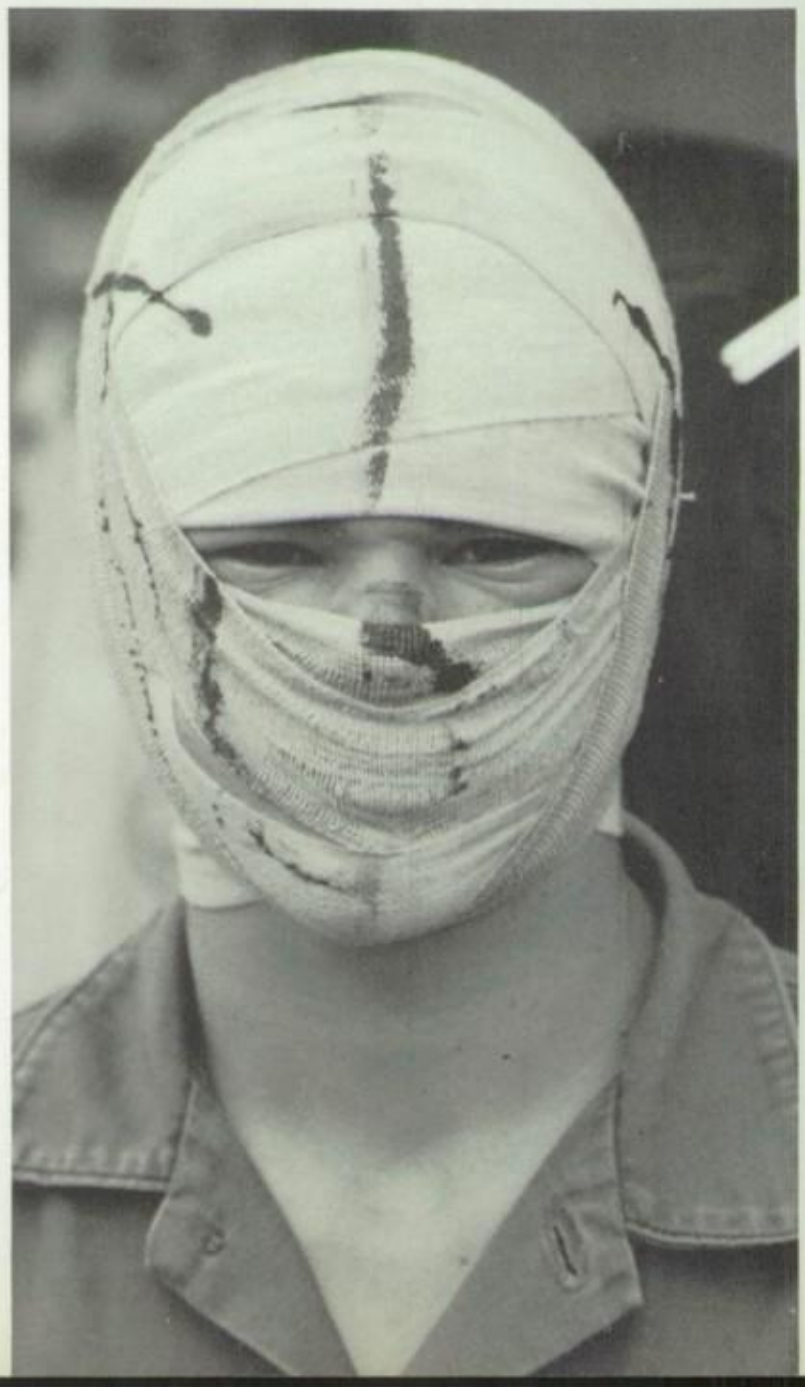
Ghouls

and goblins, witches and warlocks, and an occasional extraterrestrial!! The festive attitude was all around from the favorite Knott's Scary Farm's Halloween Haunt to grease painted faces in John F. Kennedy High School classrooms. Faculty and students showed their spirit by dressing up in a costume appropriate to their personalities. Various get-ups appeared dazzling, insane or totally awesome, while others could've been straight out of a horror flick. All this and more was evident at Kennedy's campus on a very unique October 29th.



Wildly

dressed students and faculty made themselves known for Spirit Week. Everyone became involved and had a grand time. For the first day, students dressed in black and white. Anything went from T-shirts to tuxedo outfits. Events ranged from the ice cream eat to the tricycle race, t.p. push and the chug-a-lug. Mismatched prints, polyester pants, long shorts and hard toe shoes roamed the campus on Nerd/tourist Day. At times it was difficult to tell the tourists from the nerds. The noontime activities included the best dressed contest, helium balloon stomp, and the car cram.

Cindy,
Its been fun computers, considering we didn't do that much work. Stay as sweet as you are and in life you'll go far.

Lively

was the word to describe the atmosphere during this special week. The Rock-a-Billy 50's Day proved to be very popular with everyone. On this day students and faculty were clothed in attire dating back to the fabulous 50's. The best dressed contest, the inner tube race, penny pitching, the cherry find, and musical chairs filled the day's schedule. The Irish spirit was evident in everybody on the fourth and final day — Mighty Mascot Day. Students and faculty displayed their school pride by dressing up in green and gold get-ups. The activities for the day were the back to back water balloon toss, back rubbing contest, and the mighty mascot drink.

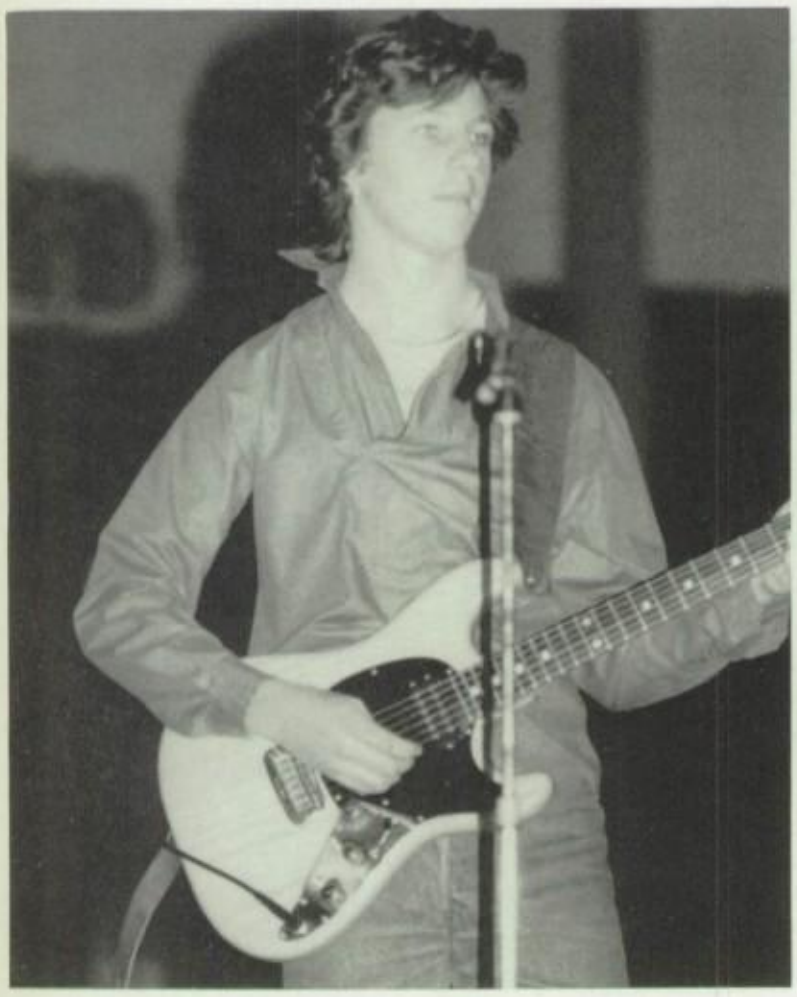
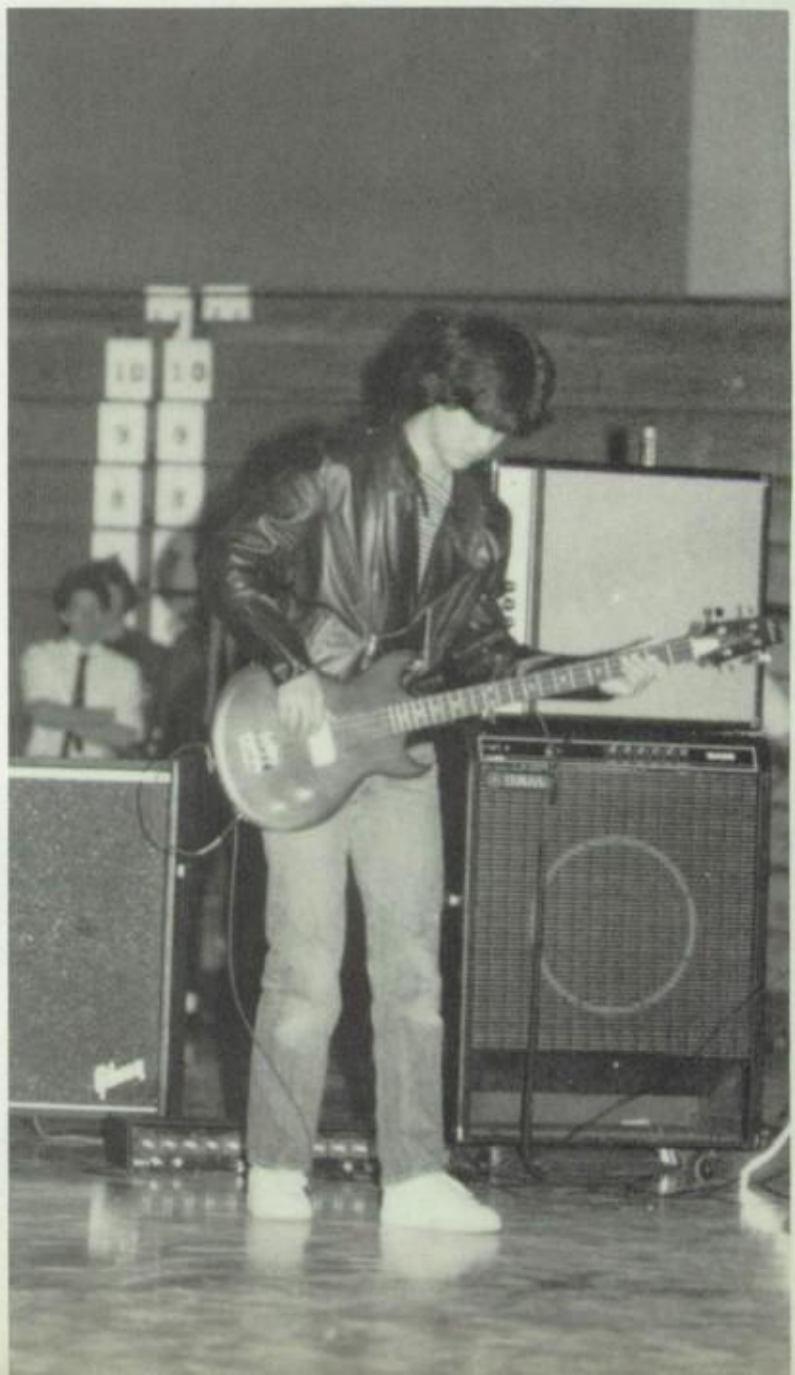
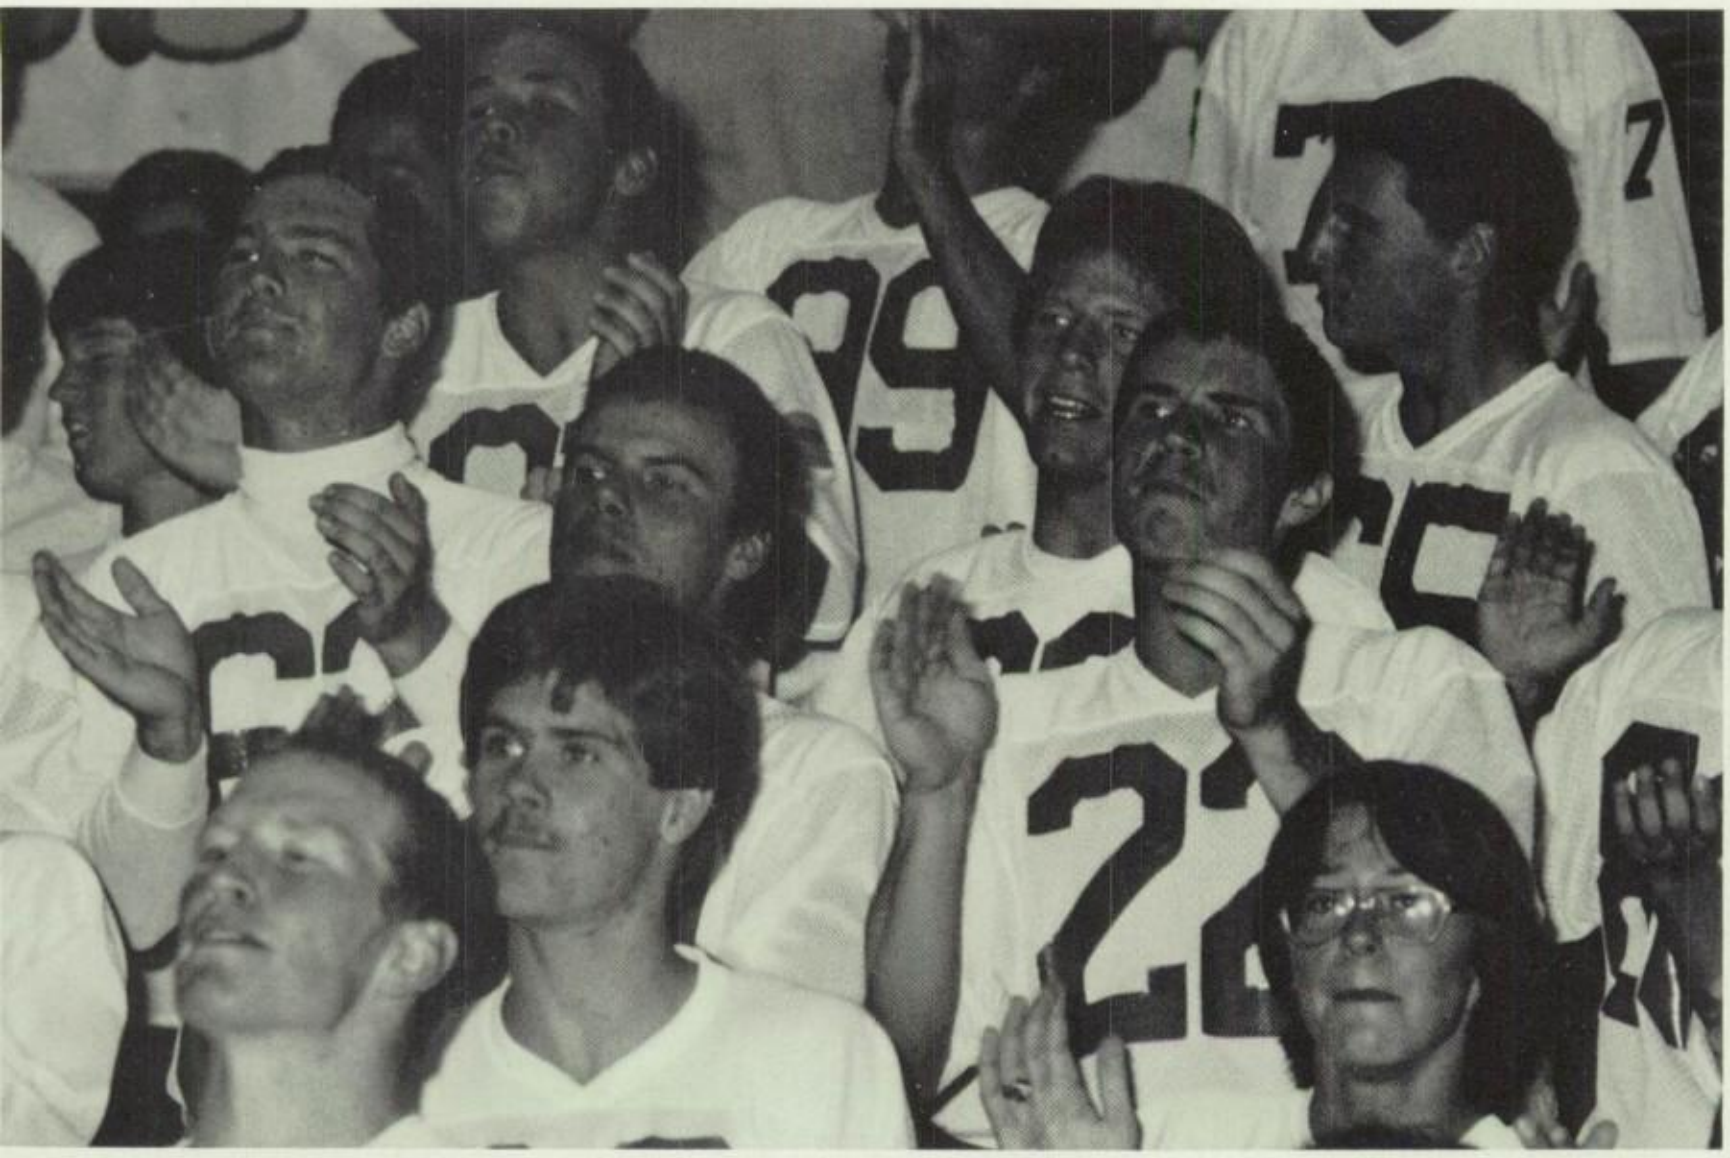
IT'S SWELL



Groovy

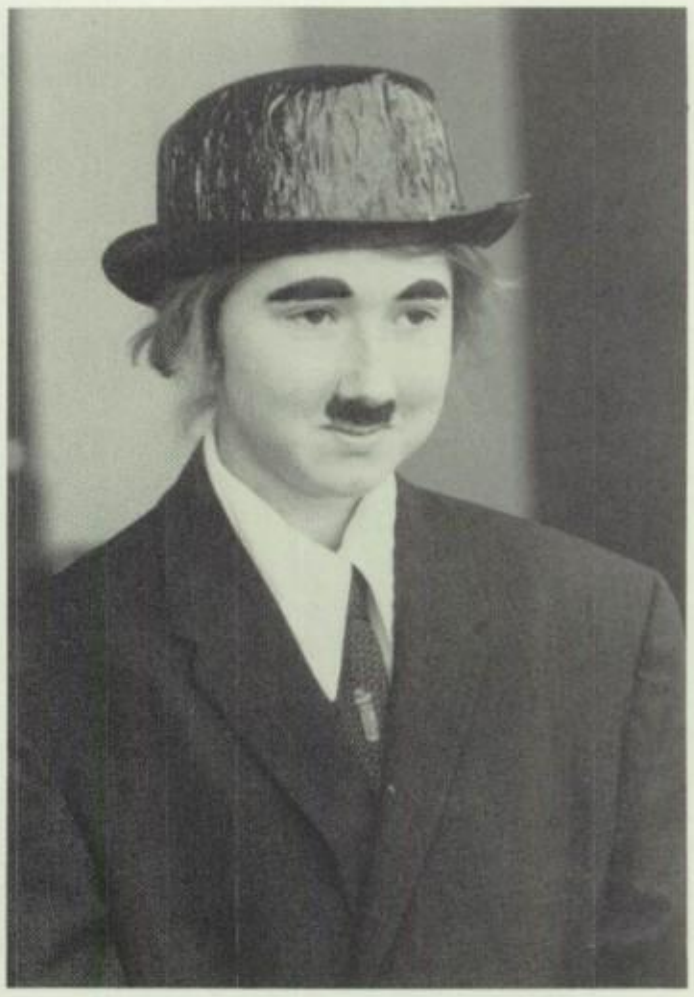
How can the romp and humor of those assemblies ever be forgotten??? Vivacious cheerleaders from all classes, chanting and cheering seniors, juniors, sophomores, and freshman, fight song playing Irish band, jump splitting Colleen drill teamers, performing dancers stepping to the tempo, color guard and rifles a-spinning and a-twirling, athletes hooting, hollering and whistling, Student council announcing and applauding, the faculty and administration surveying and disciplining, all of these things were done to fill us with pep.





Wo-man

or opposite gender day was one the Irish couldn't soon forget. The guys dressed as gals and vice-versa. (Quite interesting!) The events for the day consisted of the best-dressed couple contest, the shaving cream contest, which 4 girls sat in chairs and 4 guys tried to build a long beard of shaving cream — the longest beard made in 1 minute won, also a potato sack race and a best legs contest where 6 guys dressed as girls got their legs judged. People actually wore sheets as a form of clothing on the day labeled TOGA Day. The events for the day were just as interesting as the contestants' costumes. There was the crowning of the king and queen, the winners wore the crowns for the remainder of the day. Also, there was a time to pigout and stuff those hamburgers in the mouth contest, requiring 5 hamburgers per person. And so these nutty daze ended with plenty of good memories not soon to be forgotten.

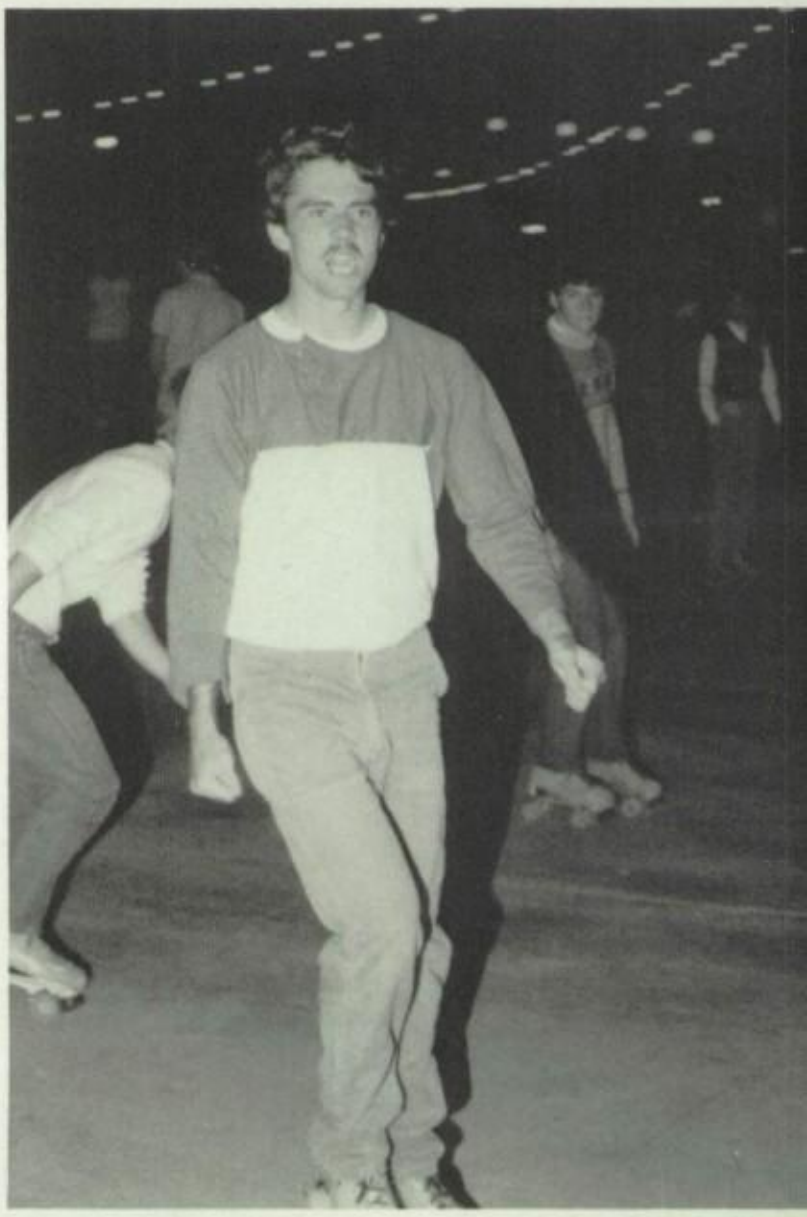


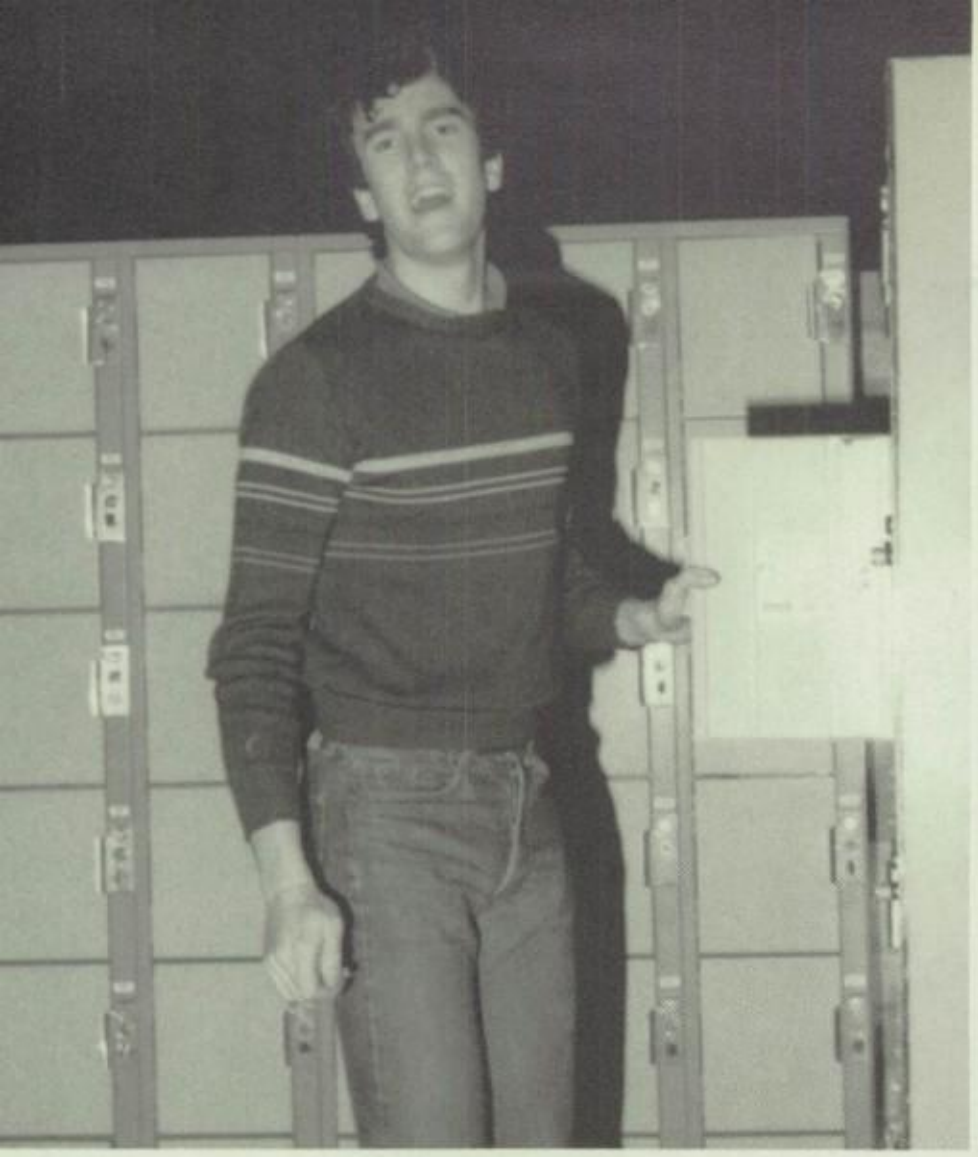
Greens

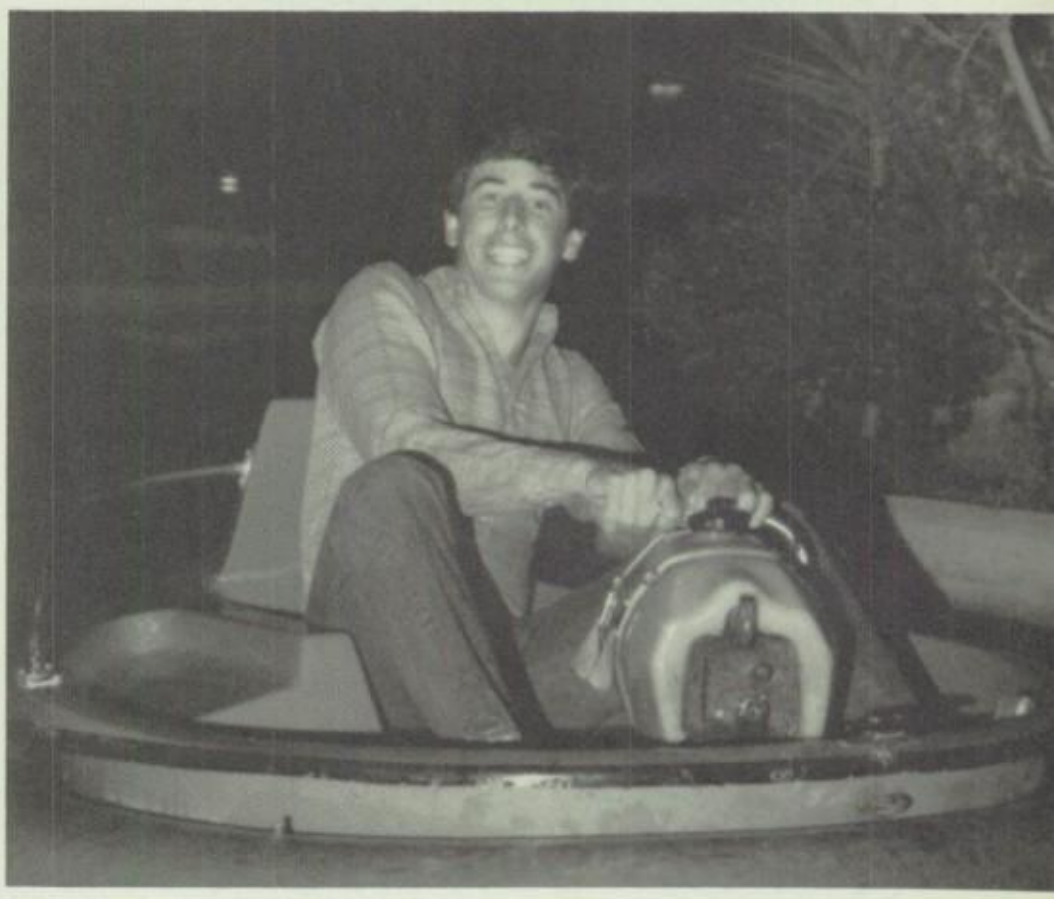
invaded the Kennedy campus on the fun-filled blarney day honoring St. Patrick. Also on this day, a tug-a-war was held pitting various teams in the mud-slinging main event. On the last day of Irish Week, people donned formal attire and carried lunch pails to suit the occasion. The events for the day were as follows: car push — where 5 contestants from each class pushed a car from one point to another, a lifesaver and toothpick relay — 4 teams with 5 people lined up with a toothpick in each of their mouths, the person at the end of the line would receive a lifesaver and pass it through the line using only the toothpick, the toilet paper wrap — 5 couples were used as one person from each team stood still while the other person wrapped him/her from the ankles to the neck, in all cases the fastest time won.

Skates

rolled everywhere as the seniors headed out for another exhilerating Skate Night at the Anaheim Family Fun Center. There were other amusing things to do besides skating. For instance, there were bumper boats — that were in a pool of water with mazes in which to get lost. There was a high ball game — that took place inside an enclosed trampoline. Also, a waterslide — where people got to try their skills at keeping their balance, while going down a steep slide atop a plastic sled-type item into water — was very entertaining. All in all, it was an exciting night for all the seniors that participated.







Cindi,

I hope you have a
wonderfully super
Summer but
don't work to hard!

See ya. Patti

Putting on the Ritz

Packed with gifted, diligent entertainers, Performing Dance exemplified vitality. Their dance skills ranged from Jazz to Tap and Ballet to Contemporary. Their advisor Shirley McBride guided Performing Dance to several events including basketball halftimes, assemblies, the Spring Show, Holiday in Music and Silverado Days. To top off their busy schedule, the members also supplied lessons.

Music in the air

From the first year flutist to the dedicated drummer, there lies a special kind of magic, a certain something that brings job to the air, the gift of music. Many Kennedy students are touched with this talent and for them Mr. Hargis directs three bands, each with its own unique style. The Jazz band has pleased audiences with its tunes of "Hayburner," "Free at Last," "That Warm Feeling," and "Speaking of Dave."

Musical Youth

twenty talented performers survived solo and group auditions to become part of one of the more choice choral groups in the Anaheim District. Trained by the gifted instructor Mr. Schamp, Chorale performed at a variety of events. Their voices enchanted audiences at the "Holiday in Music" Chorale harmonized to entertain receptive persons. This music program introduced young people to the enjoyment of singing, a life long activity.

Numerous legs, a good IQ, and service points?? Why it sounds like CSF. The California Scholarship Federation held many activities like bake sales, paper drives, car washes, a toy drive for abused children and a canned food drive. Lead by Mr. Arakawa, the officers were Chia Choe, pres, Ami Bera, vp sec, Dawn Ethington, and treas. Sandi Yodokawa.

Adding a new winning tradition, the Organization of Campus enrichment picked up where other clubs left off. The club's prupose was to enhance the campus in anyway needed, whether it be in tutoring students, beautifying the campus or aiding in community functions. The club had a successful year; their tireless efforts aided the Irish immensely.

Developing talent

Starting off on a roll, the Photo Club was supervised by Mr. Maib. These interested students learned developing and printing of film. Discussions on current photography and field trips provided a more in-depth view on photography.

Keeping the school entertained was no small task, but Drama met the challenge. These thespians learned the finer points for acting, and they exercised their abilities in productions and skits. Mr. Montalbano served as advisor.

Asian club brought together individuals sharing an interest in the Oriental culture. Events and activities planned around the Asian theme included field trip to Disneyland on Japan Day, an excursion to Japan Expo, and a luncheon.

Giving members an edge, FBLA exposed them to basic business working conditions, from running the student store to working the concession stands. Advised by Mrs. Van Hunnick, FBLA made thanksgiving baskets for needy families.

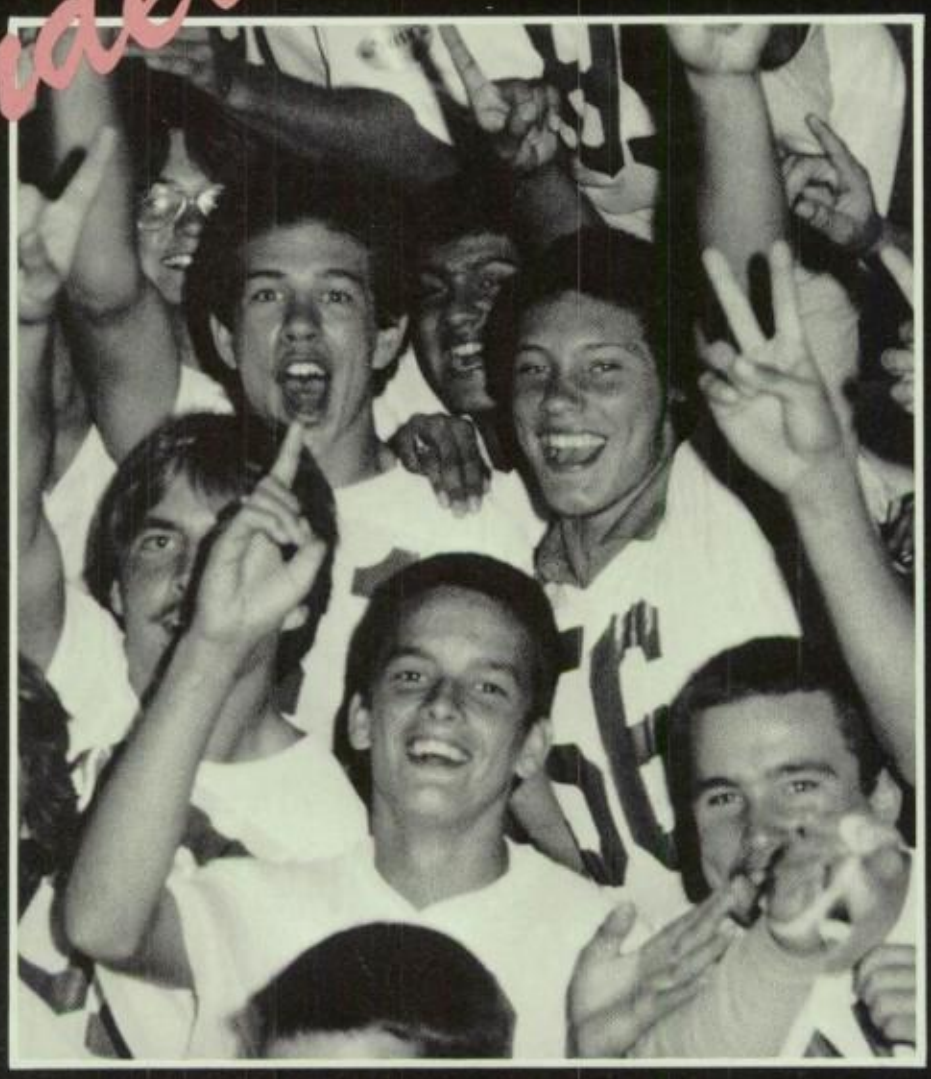
Underclass



Guess what? Last year's Junior House led by its Junior class officers, spent much of their time promoting spirit. The officers conducted meetings where important decisions were made. Their main activity was planning and financing the Junior-Senior Prom, which was held at a specific place on a certain date. With the uncanny cooperation of all, an elegant Prom was staged and a successful year completed. This year's Junior House and officers did pretty much the same stuff.

Working hard and playing hard, the Sophomore class proved to be a very enthusiastic unit. They held various fund raisers including M&M's and See's suckers. Despite the full schedule, the members made time to contribute to the community. A voluntary community help program was organized in which a community center or any center that aids the community was chosen and members offered their services. The Sophomore House strived to make its class a social club as well as a worthy organization.

Starting off to a great first year. Guiding their estatic members, the Freshmen officers promoted and instilled in their fellow freshmen endless amounts of spirit and determination. They accomplished heaps and bunches of real neat stuff. One of their activities was to raise money by selling M&M's. Helping the needy was another priority. The Freshmen class held canned foods and clothing drives to attain this goal. All the members were satisfied as their first year began with potential greatness.

FACULTY

The school year has been a most productive and enjoyable one. Our school has developed an excellent reputation for its academic programs and we have been honored by the outstanding achievements of our Shámrock regiment, athletic teams, and many other programs as they have represented us outside of the campus setting. We have attempted to provide you with meaningful programs and activities which will assist you in reaching your chosen goal. For those of you who are graduating this year we wish you the very best of success as you seek your place in the mainstream of life. I am particularly proud of the graduating class and all our students. You have set your goals high and I am confident you will be successful in all that you do. Best Wishes, Larry Fancher, Principal

I'VE BEEN FRAMED!!!

Hey look us over
We're Irish with pride
A-glancing and a-peeping
Behind our frames we hide.
We like to scope
And check it out
Unless there is turnabout,
And so we will view
All day through
Watching and wondering
All about who?
Take a glimpse,
But you can't see
Just how much these
Irish eyes are smiling.

CELEBRATION!

If was as if you had walked through a time portal. In MP1 on January 21, a chapter or two of history was right before you. Amongst the elaborate decoration, were such historical figures as Queen Elizabeth, Mary Tudor, Sir Thomas Moore, Katharine of Aragon, and literary characters as Romeo and Juliet, Don Quixote, and Macbeth. The Renaissance Experience was the brainchild of Mrs. Meltebarger. Her senior English Honors devoted infinite hours to attain the authenticity necessary. Research papers, committee work, designing of family or crests, all aided in the project to create an atmosphere of the past. Costumes were worn and the dialect was spoken. It would be impossible to list all that was done "behind the scenes," but the experience truly worked one's creative and academic ability to its greatest potential.

Photographs: 1. Wench Rose (Rosella Reyes) finds Sir Thomas Moore (Jeff Carter) an appealing target. 2. The banquet table is tranquil as the nobles await service. 3. Lady Macbeth (Eileen Rivera) sits beside her Lord (Robert Benson). 4. The pair of star-crossed overs: Juliet (Sue Brownell) gazes at her smittened Romeo (David Redman). 5. The famous Michelangelo (Mike Laskey) demonstrates his talent. 6. Lennox the Alchemist (Alan Freedman) displays the golden product of his experiments. 7. Sir Thomas Moore listens devotedly to his wife Alice (Janie Frigge). 8. D'artagnon (Sue Roush) subcomes to the swordsmanship of Don Quixote (Dave Ahia). 9. Queen Elizabeth (Karen Batman) is found on the arm of her close companion, Sir Walter Raleigh (Steve Dekany).

Cindy,

I am really glad that we could become freinds this year and not hold anything because of Hanna and Dad. You're a real fun person to be around with. So, what do ya wanna do over the summer? My Dad's gonna do some work and be gone etc. This is gonna be a totally bitchen summer. Maybe we could go down to the beach and catch some rays. What a drag we didn't have any classes together. Too bad you're not going to Kennedy next year but neither am I. You're a really neat person Cindy, maybe I'll come visit you and Hanna in the future

your freind (and still step-sister),

YEARBOOK

JUNE OYAMA

What are the trials and tribulations of editing a yearbook? What kind of relationship do these staff members have?

Golly gee whiz! Someone's actually reading the Editor's Page. Just to prepare you — this page is somewhere in the realm between a long thank you note and the *National Enquirer*.

For the first time in a good many years, the yearbook adapted a theme, as well as keeping the graphics theme. *Chariots of Fire* inspired a classy and elegant book. We also used *Chariots* visually on the cover and the endsheets. *GQ* and *Time* magazines supplied awesome copy and layout ideas.

I'll begin with our advisor Elliot Schnek. Like E.T., Schnek seemed lost in space (Just kidding). As the staff can confirm, I had the utmost respect for Schnek. I never even raised my voice at him. His goal was to make the book very visually (opposed to in Braille) appealing. Despite all our kidding, Schnek hung in there and was the perfect teacher for our insane bunch. (We'll be brief, where's Christian Dior?).

Now to the terrific staff. Nina Rojas — returning senior, she received several lessons from the Eternal Flame School of Slang.

Kristy McCoy — (The Blonde) was the poor soul in charge of ads (hang in there Kristy — you can cope!) Debbie Elton — though new to yearbook, had a natural flair, for ideas for jazzy photos and nifty copy (and stick figure drawings) — her pages are some of the best. Kelvin Evans — the only yearbook photographer with enough mentality to do pages as well as take pictures, was editor's confidant in some neat inside jokes. (Where's the space cadet? Valium trip? Elliot don't whine) Tammy Ferraiz — authored the insane and low key humor of the volleyball copy. Rosella Reyes — resident Colleen (meaning she constantly fund raised) endured all the band pages despite extenuating circumstance, and was the CareUnit counselor for editors suffering from deadline depression. Patty Ugliano — could strike terror in any editor's heart with her cries for help enjoyed yearbook for copy, captions, headline, layout, donuts, eating Secret Santa clues, and *GQ* magazines, not in that order . . . (I'm so mean.). Kurt Wagner — somehow a three year veteran, was constantly "busy" and whose favorite answer to any request was "no way" (#%$*! Kurt get to work.) Doug Markel — gave up many a lunch to take club shots and act as resident messenger. Seniors Marilyn Barrett and Dawn Ethington retired after the first semester. Annette Ugliano — joined this nutty bunch of bananas at the semester break — witnessing first hand the terror of alphabetizing 400 or so senior statements. Thanks staff — You're damn good people.

My personal thanks to Camie Ujiie. Her correspondence from Cal saved me from the depths of editoring Hades. Thanks mucho.

For all their understanding as I ran up the electricity bill as I burned the midnight oil to meet deadlines — Mom, Pop, Bros, — domo arigato gozaimasu.

Editing this book was a heck of a tough job. On all those 4:00 AM and sleepless deadline nights, thank Buddha for Hill Bros. coffee, G.E. lightbulbs, stereo headphone, KROQ, long playing albums (esp. ABC-The Lexicon of Love, Hall & Oates — H_2O, and Police-Ghost in the Machine) betamax videos (Bruce Penhall-Eye on LA), and Extra-Strength Anacin for maintaining my mental health.

I sincerely hope that this book knocks the socks off you. I'll be the first to admit — it's not perfect, but it's darn close.

As for being editor . . . It's a dirty job, but someone has to do it.

ASB PRESIDENT

BRYAN GARRITY

What are the responsibilities shouldered by an A.S.B. president? How can one person be able to meet the demands of the populace and still remain cheerful under pressure?

1983 — The year that was destined to be different, a year which has literally flown by, but a year that was filled with exciting and special moments, each and everyday. This year's Student Council, definitely one of the best Kennedy has ever had, worked closely together as one unit for the same cause — to upgrade and to continue the high quality traditions and activities of John F. Kennedy High School for the entire student body. Together and unselfishly, they accomplished this goal. To each and every council member, I want to express my sincere appreciation and thanks!

To the students of Kennedy, you were the ones that made the school! Your high class and super spirit made Kennedy shine, whether it be at an athletic event, pep assembly, or any other school sponsored event. I sincerely wish the best to each of you in the future, be sure to use all of your potential which you have displayed here at Kennedy. Make the best of what you are and what you can be.

And to Mr. "C", a man who has often been overlooked for all his hard work and efforts which he has made to Kennedy, a big thank you. If it wasn't for this man, Kennedy High School and the activities and traditions which it holds wouldn't be what they are today!

Once again thanks to everyone and good luck always. May God Bless each and every one of you.
